The Tournament

This year we are putting your feedback into action. Golfers will choose between participating in a **Serious Division** and a **Fun Division**.

In the **Serious Division**, players will compete in a Shamble Format (All the golfers within the team hit a drive off the tee and the best-positioned drive will be used for the second shot. All players hit their second shots from the position of the selected drive, and then play their subsequent shots from where their golf balls end up until they have completed the hole.) *Each player will get a free "breakfast ball" just for having a tucked in shirt.*

In the **Fun Division**, players will compete in a Scramble Format (Each team's players hit from the teebox, then the team members choose the best of the four shots for the next shot. All team members then play the second shot from that location, and again choose the best shot. Play continues in this manner until the hole is completed.) *Each player may purchase unlimited Mulligans for \$25 apiece.*
