Dear Parents and Students,

Welcome to a new school year! As any school year, and perhaps more than any school year, there will be plenty of adventures ahead.

Building off an exceptionally strong foundation of families, faculty, and academic traditions, as well as the strong family spirit, we will aim to steadily and thoughtfully examine areas for improvement and renewal and to employ strategic ways to affect growth.

With wishes for a year of academic intensity, curiosity, and achievement, of Christian enrichment that touches hearts and minds, and of friends who will join to continue to build the profound mission of St. John the Beloved Academy,

Sincerely yours,

Jeffrey P. Presberg  
Headmaster

# **I. PHILOSOPHY OF EDUCATION/MISSION STATEMENT**

## **DIOCESAN PHILOSOPHY OF CATHOLIC EDUCATION**

*Go, therefore, and make disciples of all nations  
Teaching them to carry out everything I have commanded you.*

*Matthew 28:19-20*

These words of Christ addressed to the apostles at the Ascension bestowed on the Church the office of teacher. Obedient to this divine challenge, the Church provides education permeated with the spirit of Christ and dedicated to promoting the full development of the human person.<sup>1</sup> The two-fold goal of Catholic schools is to provide an environment which will foster rich religious training as well as solid academic education in a Catholic value-oriented manner.

<sup>1</sup> Declaration on Christian Education #3

## **DIOCESAN MISSION STATEMENT**

The Catholic schools in the Diocese of Arlington are an essential component in the educational ministry of the Church. Our schools are committed to providing an education rooted in the Gospel of Jesus Christ where Catholic doctrine and values and academic excellence prepare each student for a life of faith, service and integrity.

## **SCHOOL HISTORY, MISSION STATEMENT/PHILOSOPHY**

### **SCHOOL HISTORY**

Sixty-nine years ago St. John's opened its doors with tremendous joy for the first time! In September 1954, St. John's grade school (kindergarten through fourth grade) welcomed 150 students in a one-story building designed by Francis Koenig. The new Catholic school consisted of eight, large classrooms. The following year, the enrollment soared to 259 students. The religious of the Sacred Heart of Mary Sisters, commuting from their convent at Marymount College in Arlington, staffed the school on Linway Terrace, in McLean, Virginia.

In 1956 a new addition to the school helped ease the crowding and approximately 150 additional students enrolled. A new grade opened each year as the students entered their next year, with kindergarten through eighth grade in place in 1958. By 1965, an incredible 1200 students attended the school, making for crowded conditions. However, this did not deter the sisters who provided excellence in faith practices and a rigorous academic education, offered to all.

In 1967, the parish's second pastor, Father Henry E. Hammond, built a convent at 1600 Karlin Lane, for the sisters, within walking distance of the school. Since 1979, the convent has been home to the Youth Apostles Institute. In July 1973, the Sisters of Notre Dame took over the running of the school and remained at St. John's until their departure in June 1993.

In 1993, St. John's pastor, Father Ley, appointed Mrs. Christine Wells as the first lay Headmaster.

Today, the school-renamed St. John the Beloved Academy in 2019, offers co-educational classes from preschool through eighth grade.

Under the direction of Headmaster, Mr. Jeffrey Presberg, Saint John the Beloved Academy provides a liberal arts curriculum rooted in a Catholic humanist tradition, a unique academic and evangelical approach to Catholic education, which instills in students an understanding of their inherent dignity as children of God, and the intellectual freedom to seek and recognize Truth.

## MISSION STATEMENT

Saint John the Beloved Academy was founded in 1954 to offer quality Catholic education to parish children. Saint John the Beloved Academy continues to provide children in preschool through eighth grade with a Catholic liberal arts education rooted in rich tradition of academic excellence and spiritual formation, captured by the school's motto, "*Fides, Scientia, et Gaudium.*" By **Faith**, children are led beyond themselves to entrust their formation to God. By forming the entire child, we impart the **Knowledge** for both intellectual and spiritual growth. The Mission of Saint John the Beloved Academy is manifested in genuine Christian **Joy** - rooted in the Sacraments, self-sacrifice, charity, and service to others.

## STUDENT/PARENT HANDBOOK

Each school shall utilize the Office of Catholic Schools (OCS) template to develop and distribute a handbook for students and parents. All local policies and procedures must be in conformity with the Office of Catholic Schools policies, guidelines and regulations.

The handbook shall be updated annually to reflect policy and procedural changes. Principals or Headmasters shall establish a process for review and revision of local school policy to ensure changes reflect the input of key stakeholders. All parents, along with students in middle and high school, are required to provide a signature of receipt acknowledging they have read the rules and regulations outlined in the handbook, and they agree to abide by those rules (Appendix AG-1 and AG-2). A signature form will be provided to students upon receipt of the handbook and the form must be signed and returned as soon as possible, but no later than the date of the school's Parent/Teacher Conferences. Failure to have a signed form on file will not prevent the school from enforcing its policies and or preventing a student from enrolling or continuing to be enrolled at the school.

Faculty and staff members shall be given access to all parent-student school handbooks.

Handbooks and all subsequent changes are subject to prior written approval by the Diocese. To the extent any local handbook or policy statement therein may be inconsistent with the policies, guidelines or regulations of the Office of Catholic Schools, the Office of Catholic Schools policies guidelines or regulations shall be of controlling force and effect.

## PARENTAL ROLE

Since parents have given their children life, the Catholic Church recognizes parents as the primary educators of their children. The Catholic parents' promise at baptism to raise their children as Catholic supports this premise. The Catholic school exists to assist parents as partners in the Christian formation of their children.

In this Handbook, the term parent refers not only to a child's natural or adopted parent, but to a student's non-parent legal guardian or to any person or agency authorized to act in place of parents.

The Diocese of Arlington Office of Catholic Schools respects the role of parents as the primary educators of their children. Since the school is a continuation of the education children are receiving at home, Diocesan schools should demonstrate respect and support for the parents in their important and challenging task.

Parents are expected to support the school's mission and commitment to Christian principles and support the school policies as outlined in school handbooks (i.e., annually sign the school's Handbook Agreement Form). One of the conditions for initial and continued enrollment at the school is receipt of this signed form indicating the parent's support of the school's philosophy, policies and regulations. In the event a parent desires to discuss a problem with his/her child's teacher, the parent should make an appointment for a private meeting with the child's teacher. Teachers welcome the opportunity to discuss a matter of concern with parents before it becomes an actual problem. Any parent who wishes to speak with the Headmaster may do so, but after an initial meeting with the classroom teacher. Similarly, parents should discuss matters of concern with the school principal, and pastor when necessary, before bringing them to the Office of Catholic Schools.

If a parent repeatedly or seriously violates proper school protocol, displays inappropriate or disruptive conduct toward students, or displays disrespectful, disruptive or harassing behavior toward teachers or toward school, parish or diocesan staff (in verbal, written or digital form), the school may take corrective action. Such corrective action may include, at the discretion of the Headmaster (and, for parish schools, the pastor of the parish) the following: imposition of particular rules or procedures the parent must follow in interacting with the school and its students and staff; restriction or termination of the parent's access to school or parish property; dismissal of the parent's child(ren).

The school may impose other appropriate corrective action, without prior recourse, based upon the nature of the parent's conduct and the surrounding circumstances.

As foundation for a faith-community, parents are invited and encouraged to participate in the school's celebration of prayer and Liturgy.

Parents are encouraged to participate in the programs, which are developed for the education of their children. The wide spectrum of this involvement includes volunteer work, participation in parent-teacher conferences, attendance at meetings and seminars designed to help parents assist their children at home.

## **NON-DISCRIMINATION CLAUSE**

Catholic Schools, administered under the authority of the Catholic Diocese of Arlington, comply with those constitutional and statutory provisions, as may be specifically applicable to the schools, which prohibit discrimination on the basis of race, color, sex, age, marital status, disability, national origin or citizenship in the Administration of their educational, personnel, admissions, financial aid, athletic and other school administered programs.

This policy does not preclude the existence of single sex schools, nor does it conflict with the priority given to Catholics for admission as students. This policy also does not preclude the ability of the school to undertake and/or enforce appropriate actions with respect to students who advocate on school property or at school functions any practices or doctrines which are inconsistent with the religious tenets of the Catholic faith.

## **STUDENTS OF OTHER FAITHS**

The presence of students from other faiths provides a wonderful diversity to the school. However, the presence of non-Catholic students in the school does not change the primacy of Catholic religious formation as an integral component of the educational program in the school. As such:

- a. Students of other faiths are expected to participate in the religious formation and education programs of the school.
- b. Students of other faiths must participate in liturgies (except for reception of the Eucharist), retreats, other religious functions, and religion classes for credit.
- c. Students of other faiths may be exempt from formal co-curricular or extra-curricular sacramental preparation programs but not from the catechesis held during the school day.
- d. Students are expected, for testing and discussion purposes, to be knowledgeable of the Catholic Church's positions on scripture, revelation, and moral practices. While Catholic teaching respects the various faith traditions of the students attending the Catholic school, parents must be aware that it is the Catholic position that will be taught.

In light of the unique situations which may arise in the educational process, and because it is impossible to foresee all school issues that arise, the faculty and Administration reserve the right to address and to take appropriate action for any such situations not specifically referenced in this manual. In addition, in view of the unique and essential religious mission of the school, it is expressly understood that the school may take actions in cases where moral offenses occur which reflect adversely on the school, the Catholic Diocese of Arlington or the Roman Catholic Church, or which interferes with the ability of the school to perform its religious mission or to effectively maintain the intimate working relationship of the school and the Community of Faith.

This handbook may be modified by the school after reasonable notice to the parents/students of

the effective date of any changes. Any section headings are for convenience of use, and shall not affect the interpretation of any provisions. If the school should elect not to take action in a particular situation, this shall not be construed or interpreted as a waiver or preclude the school from acting in a subsequent situation of the same or similar kind.

## ***SEXUAL IDENTITY POLICY***

The Diocese of Arlington is committed to providing a safe environment that allows students to develop and prosper academically, physically and spiritually, consistent with Catholic teachings and principles affirming that the body reveals each person as male or female and that the harmonious integration of a person's sexual identity with his or her sex is an expression of the inner unity and reality of the human person made body and soul by God and in the image and likeness of God. In fulfillment of these religious truths, our Catholic educational environment shall reflect a relation to persons (including name and pronoun usage, uniforms, access to facilities and overnight accommodations, and eligibility for single-sex curricular and extracurricular activities) that is respectful of and consistent with each person's God-given sexual identity and biological sex at birth.

Recognizing that each person is created in the image and likeness of God ensures that dignity is safeguarded, and safe environments are fostered. When parents send their children to Catholic schools and when persons choose careers in Catholic education, they should expect an environment consistent with the truth that God-created sexual identity speaks to His vision for each person's relationship to Him, oneself and others. Behavior and expressions of a person's sexual identity within the school environment that are inconsistent with these principles and/or which cause disruption or confusion regarding Catholic teachings on human sexuality are prohibited. The full cooperation with this policy of school officials, faculty, parents and students is required and a condition precedent to the continued enrollment of each student and the continued employment of each employee, and the enforcement of this policy by the school is deemed a spiritual mandate.

## **II. ACADEMICS**

### **CURRICULUM**

Curriculum encompasses the sequentially ordered learning experiences, which the school provides for its students. The total curriculum includes the development of Catholic values and attitudes, as well as the attainment of knowledge and skills necessary for the student's spiritual, moral, intellectual, social and physical development.

Our liberal arts curriculum is rooted in a Catholic humanist tradition, a unique academic and evangelical approach to Catholic education, which instills in students an understanding of their inherent dignity as children of God, and the intellectual freedom to seek and recognize Truth. We strive to fulfill our mission by ensuring that our school motto, "*Fides, Scientia, et Gaudium*" is woven into every aspect of our curriculum

The basic curriculum for the school (but not necessarily for each grade level) includes the following subjects: Religion, Reading, Language Arts (English, Spelling, Handwriting), Mathematics, Science, History, Literature, Fine Arts (Art and Music), Health and Safety, Physical Education, Technology, Library and World Languages.

Additional elements are woven into the educational experience at St. John the Beloved Academy to best facilitate growth and development. We have a modified block schedule, a beautiful campus featuring a large outdoor playground and fields, multiple recess time to enhance student concentration and time outdoors, a house system to help strengthen and cultivate our Mission which encourages school spirit, friendship, and fun, just to name a few.

Please refer to the Parent Page of the Arlington Diocese website for a detailed list of curriculum guidelines at <http://www.arlingtondiocese.org/catholicschools/parents.aspx>.

### **LITERATURE for 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> GRADES**

The Literature Program is an intensive course that introduces students to the world of classical literature. Rather than utilizing a textbook, the students read, analyze, and discuss the material presented in a variety of novels, plays, short stories, essays, and poetry covering such topics as justice, faith, hope, war and peace, human relationships, and the human condition. The literary forms in which these topics are presented include allegory, irony, satire, parody, picaresque novels, comedy, narratives, suspense, tragedy, sonnets, odes, and Romantic and Elizabethan poetry in addition to these elements students study rhetoric and humane letters as an extension of our Language Arts Program.

In addition to their reading assignments, students hone their writing skills with a significant number of writing assignments and an extensive list of poetry for memorization and recitation.

### **IMPLEMENTATION OF FAMILY LIFE PROGRAM**

Catechesis in Sexuality is an important and sensitive component of a comprehensive program of catechesis. According to the Second Vatican Council, "As they (children and young people) advance in years, they should be given positive and prudent sexual education." Education in sexuality includes all dimensions of the topic: moral, spiritual, psychological, emotional, and physical. Its goal is training in chastity in accord with the teaching of Christ and the Church, to be lived in a wholesome manner in marriage, the single state, the priesthood, and religious life.

### **TEXTBOOKS/SUPPLEMENTAL MATERIALS**

Textbooks and supplemental materials are selected after a year of study by the faculty with the approval of the Headmaster. All textbooks and supplemental materials must have the approval of the Office of Catholic Schools.

## **TECHNOLOGY – RESPONSIBLE USE POLICY**

Parents will receive an Acceptable Use Policy from the technology teacher for each student attending Saint John the Beloved Academy. The Policy is given to the students on the first day of school. Parents must review the policy with their student and return the signed policy to the technology teacher by COB of the Thursday of the first week of school. The technology teacher will review this policy with the students on the first day of computer class. Students who do not return the signed policy agreement will not be able to participate in computer class nor will they be able to use any computer or Ipad at Saint John the Beloved Academy.

The school retains the right to discipline students for their actions, **regardless of when or where they occur**, *when those actions negatively impact the school's image, reputation, and/or the safety and well-being of the school community*. This covers inappropriate behavior in cyberspace including but not limited to messages, chat room commentary, comments/pictures, postings on social networking sites, blogs, wikis, gaming chats, digital transmissions, and other technology related activity.

## TESTING

The school's testing program is intended to assist teachers and administrators in a systematic evaluation of the academic and religion programs, to diagnose students' strengths and weaknesses and to aid in revision of the curriculum and planning of instruction.

In addition to academic tests for grading purposes, the school will administer standardized ACRE religion in grades five and eight and = MAP® Growth™ achievement tests in grades

three through seven according to the diocesan testing program. MAP® Growth™ is the standard-bearer for measuring performance and growth in K–12 math, reading, language usage, and science. By dynamically adjusting to each student’s performance, MAP® Growth™ creates a personalized assessment experience that accurately measures performance—whether a student performs on, above, or below grade level. Timely, easy-to-use reports provide rich context to make instructional and operational decisions with confidence. All eighth grade students take the high school placement test used in determining placement in diocesan high schools. Eighth grade teachers are encouraged to review only the format and style of the high school placement test with their students.

## **HOMEWORK**

In order to reinforce daily work and develop good study habits, the school promotes specific homework policies. Homework for the upper classes is posted daily via a ‘homework’ link on our website [www.stjohnacademy.org](http://www.stjohnacademy.org).

Although homework has different purposes at different grades, homework is required at all grade levels. The amount of homework a child may have on any given day will vary depending upon the nature of the assignment, the amount of work the child completes in school that day and the speed at which the child completes his/her work at home.

### **SUGGESTED TIME ALLOTMENTS**

Homework is important. It is an extension of the learning that takes place in school. Homework can provide practice and drill that reinforces classroom learning and can provide opportunities for independent study, research, and creative thinking. Each teacher posts homework on the school website every afternoon. Parents can help their children by arranging a quiet, comfortable place for the student to work and by seeing that assignments are completed. Additional independent reading is expected by all: teachers’ discretion. Daily amount of homework is usually: Grade K: 5-15 minutes; Grades 1-3, 20-30 minutes; Grades 4-6, 45-60 minutes; Grades 7 & 8, 60-90 minutes. Homework is not assigned over the weekend in grades 1-5. However, students in grades 6-8 do receive weekend assignments. Parents should encourage their children to organize their time in long range assignments so they are not overwhelmed a day or two before the deadline date. **Please check with the teacher if your child consistently claims not to have homework.**

If your child is absent and you wish to pick up assignments/books for that day, please call the school office in advance so the teacher can arrange to have your child's work ready. Assignments/books for the day are to be picked up at the end of the school day. If requested, the teacher will also send a child's work to a sibling's classroom or a child in the same carpool. Persons picking up homework **may not** go to the classroom during the instructional day as this interrupts the teacher and the class.

### **MIDDLE SCHOOL HOMEWORK POLICY**

Homework is due on the due date assigned. Late assignments will be accepted one day after the due date but full credit will not be assigned to late work. It is the student’s responsibility to give

any assignment to the teacher. Late assignments will be subject to reduced credit at the teacher's discretion.

Students who are absent have one day for every day they are out to turn in homework and make up tests missed during their absence. It is the student's responsibility to obtain and complete missed assignments. Assignments are to be written by the student into an assignment notepad and posted daily in the classroom.

## **PARENT-TEACHER COMMUNICATION**

Teachers are expected to be reasonably available to parents throughout the school year to keep the lines of communication open in the best interest of the students. Parent-teacher conferences can be scheduled throughout the school year if necessary. Parents should first privately contact a teacher with any concerns about a student or class concerns before seeking intervention by the school administration.

### **SCHEDULING AND OTHER CONFERENCE INFORMATION**

Parents are encouraged to keep in close contact with teachers regarding student progress. Scheduled conferences are held at the middle and the end of the first and second trimesters. The Parents must mandatorily attend either or both the 1<sup>st</sup> mid trimester conferences or end of 1<sup>st</sup> trimester conferences. Conference dates will also be scheduled throughout the 2<sup>nd</sup> and 3<sup>rd</sup> trimesters. Teachers may be called at the school office and will return calls during free periods or after school or they may be contacted through the school e-mail. Teachers do not accept phone calls while they are teaching. However, they are most willing to meet with parents at an agreed upon time whenever the teacher or parent(s) feel this is necessary.

## **GRADING/REPORT CARDS**

Overall evaluation of the student is based on teacher judgment and observation of the student's daily work, class participation, effort and performance on teacher prepared tests (to include but not be limited to projects, portfolios and other tools of assessment). The purpose of report cards is to alert the parents and present to them an assessment of their child's achievement in his/her academic studies.

A student whose academic performance indicates serious deficiencies may be placed on academic probation. Students on academic probation will be placed on a two week improvement plan. At the end of the two week period, the student's academic progress will be assessed. Students whose average is a failing grade will not be allowed to participate in any sport or academic competition until the grade has improved to a passing grade.

Students with identified disabilities who have a current IEP or Student Assistance Plan should receive an asterisk on their report card grade when modifications have been made to the curriculum. A modification changes the content, instructional level or student work load of subject matter or tests. Conversely, accommodated programs should not be denoted.

## **GRADING SYSTEM**

### **Grades 1-2**

- M Meets Grade Level Standards – Child consistently meets skills
- P Progressing Towards Grade Level Standards - Child is in process of developing skill
- NI Needs Improvement – Child is not demonstrating skill

## **ACADEMIC PROGRESS SCALE**

The letter M, P or NI is indicated in the appropriate box for each subject area.

\* (asterisk) indicates modified curriculum

93-100	A
92-85	B
84-77	C
76-70	D
69 or below	F (Failing)

**Grades 3-8** use numeric (percentage) grades. Below 70 is designated by an F.

## **INDICATORS FOR EFFORT, SPECIALS AND PERSONAL DEVELOPMENT:**

- 3 Very Good
- 2 Satisfactory/Good
- 1 Needs Improvement
- X Unsatisfactory

Report Cards are issued three times a year based on the twelve-week periods. Weekly folders containing each student's work are sent home each Wednesday. Parents in grades 6-8 are encouraged to visit the online PowerSchool portal when it is opened on the school calendar.

## **HONOR ROLL**

Honor roll is based on the student's grades in conduct and effort as well as academics in grades 6-8. To be eligible for first honors a student must have an average grade of 93-100 with no “NI” in any category. To be eligible for second honors a student must have an average grade between 85-100 with no “NI” in any category.

At the end of the year students in grades 6-8 who have been on the Honor Roll for all three trimesters will receive a certificate.

## **AWARDS**

Students receive special recognition at the school through a variety of awards programs. These awards are intended to promote and recognize academic skills, athletic achievement, and various aspects of good citizenship.

## **PROMOTION/RETENTION/PLACEMENT POLICY**

A major goal of the school is to assist students to complete each academic year satisfactorily. The repetition of a grade is recommended when it is deemed by the school to be necessary and advantageous to the particular needs of the student.

- The final decision to promote or retain a student is based on the student's academic performance and best interest as determined by the Headmaster.
- Teachers will notify parents if their child is not progressing satisfactorily toward a passing grade in the course.
- Elementary students failing one or two academic areas must successfully complete summer school or another program approved by the Headmaster in order to be promoted to the next grade. If a student fails three or more core academic subjects, the student will not be promoted to the next grade.
- Students who have not successfully completed summer school or another program approved by the Headmaster but would not benefit from being retained in the grade may be "placed" in the next grade level; however the school must prepare and implement an "Academic Intervention Plan" for the student as a condition of placement.

## **SCHOOL COUNSELORS**

Saint John the Beloved Academy does not have school counselors on site. With the approval of the Headmaster, a student may be recommended and/or required to seek outside counseling services.

### **III. ADMINISTRATIVE PROCEDURES**

## **ADMISSIONS**

### **DIOCESAN INITIAL ADMISSION REQUIREMENTS**

Students who desire an educational experience at a Catholic liberal arts school rooted in a Catholic humanist tradition, a unique academic and evangelical approach to Catholic education, which instills in students an understanding of their inherent dignity as children of God, and the intellectual freedom to seek and recognize Truth, and who fulfill the age, health, academic and behavioral requirements are eligible for admission to the school.

The school sets registration procedures and admission policies. The availability of space and the order of preference for admission is determined by the school. Where practicable, siblings may receive special consideration.

### **Age for Admission to Kindergarten**

Under Virginia state law (Code of Virginia 22.1-254) school attendance is compulsory for children who have reached their 5<sup>th</sup> birthday on or before September 30<sup>th</sup> of any school year. Readiness testing (fine/gross motor, speech, and language screen) is required for kindergarten entry and within 60 days of school admission for new students in grades 1 – 3. Additional school readiness testing may be conducted at the discretion of school officials. In those cases where the school has sufficient reservations regarding the potential for success, those students may be admitted on a conditional basis with dates and criteria of evaluation established in writing; however, the decision of whether to extend or remove conditional admission status should be made by school officials at their discretion.

### **Requirements for School Admission: Pre-school – Grade 5**

1. Presentation of an original birth certificate (schools are expected to keep a copy of the certificate on file)
2. Baptismal certificate for Catholic students
3. Proof of custody where applicable
4. Current report card and previous academic years' report card as applicable
5. Current standardized test scores and previous years, if applicable
6. Completed Diocesan Application Form (Appendix J)
7. A non-refundable application fee
8. A fully executed MCH 213G Commonwealth of Virginia School Entrance Form or other U.S. state equivalent, which stipulates the following must be submitted prior to the student beginning school:
  - i. Proof of exact dates of required immunization as required by the Code of Virginia. Immunization records are required to be signed and verified by a licensed healthcare provider.
  - ii. Physical examination covering all required aspects as mandated on the

MCH 213G within 12 months prior to entering school for the first time. Equivalent school entrance physical forms from another state may be acceptable. (Note: A preschool physical does not take the place of the required kindergarten entry physical even though it was completed within the 12 months prior to kindergarten entry. This is because some aspects required for kindergarten are not included in a preschool physical – e.g. hearing and vision screening)

9. Proof of satisfying tuition requirements at any former Diocesan school if previously enrolled in a Diocesan school

### **Requirements for Admission to Grades 6 – 12**

- a. Presentation of an original birth certificate (schools are expected to keep a copy of the certificate on file)
- b. Baptismal certificate for Catholic students
- c. Proof of exact dates of immunization with signature of licensed healthcare provider
- d. Records from previous school, including standardized test scores
- e. Proof of custody where applicable
- f. Completed Diocesan Elementary or High School Application Form (Appendix J)
- g. A non-refundable application fee
- h. A fully executed MCH 213G Commonwealth of Virginia School Entrance Form or other U.S. state equivalent, which stipulates the following must be submitted prior to the student beginning school:
  - i. Proof of exact dates of required immunization as required by the Code of Virginia. Immunization records are required to be signed and verified by a licensed healthcare provider.
  - ii. Physical examination covering all required aspects as mandated on the MCH 213G within 12 months prior to entering school for the first time. Equivalent school entrance physical forms from another state may be acceptable. (Note: A preschool physical does not take the place of the required kindergarten entry physical even though it was completed within the 12 months prior to kindergarten entry. This is because some aspects required for kindergarten are not included in a preschool physical – e.g., hearing and vision screening)
  - iii. Proof of satisfying tuition requirements at any former Diocesan school if previously enrolled in a Diocesan school

A student is admitted to the school on the premise the student intends to learn the Catholic religion and be educated in a Catholic environment. In certain cases, students may be admitted on a probationary basis subject to the student successfully completing one or more subsequent interim evaluations. Students with academic or other needs (i.e., behavioral), which cannot be

reasonably addressed by the school may be denied admission.

School application forms may request disability-related information. The Americans with Disabilities Act (ADA) does not prohibit a school from asking questions about a student's disabilities provided that information does not discriminate (automatically prohibit a student from applying).

## **Nonimmigrant**

1. F-1 (Nonimmigrant) students who apply for admission to a Diocese of Arlington Catholic school will be considered for admission, upon meeting the following conditions:
  - a. Meets Diocesan admission requirements as stated in Policy 601.2;
    - i. A fully executed MCH 213G Commonwealth of Virginia School Entrance Form or equivalent, which stipulates the following must be submitted prior to the student beginning school:
      1. Proof of exact dates of required immunization as required by the Code of Virginia.
      2. Physical examination covering all required aspects as mandated on the MCH 213G within 12 months prior to entering school for the first time. Equivalent school entrance physical forms from another state may be acceptable. (Note: A preschool physical does not take the place of the required kindergarten entry physical unless it is completed within 12 months prior to kindergarten entry.)
    - ii. F-1 (Nonimmigrant) students who enroll in a school in the Diocese for the first time must provide documentation that they are free from communicable tuberculosis. (Policy 624.1.b).
  - b. Currently holds or is in the process of obtaining an F-1 (Nonimmigrant) student visa;
  - c. Resides at the same U.S. address as the guardian;
    - i. Guardian cannot house more than two international students; Policy may be amended if requested in writing from a guardian in certain situations; for example, if international students are related to one another and/or related to the guardian
  - d. Pays tuition in full upon school admission;
    - i. There is no refund given for registration, tuition or other related fees; The Diocese of Arlington does not provide healthcare insurance for international students.
  - e. Carries applicable healthcare insurance, including for emergencies, that may be needed while in the United States;
    - i. The Diocese of Arlington does not provide healthcare insurance for

international students.

2. Students meeting the above criteria and accepted for admission must complete the Diocese of Arlington *I-20 Application Form* and return the form to the school the student will be attending. The school must forward the Diocese of Arlington *I-20 Application Form* to the Office of Catholic Schools with the original signature of Headmaster or admissions director.
3. When a student is transferring *from* another school outside the Diocese, the originating school must transfer the existing I-20 in active status to the Diocese of Arlington. A Diocese of Arlington *International Student Transfer Report* must be completed by the originating school and returned to the Office of Catholic Schools along with the *I-20 Application Form*. It is the responsibility of the parent or guardian to contact the originating school within 15 days of leaving that school to have the I-20 transferred;
  - a. A student must maintain status by attending classes until the transfer release date. Lack of attendance before the transfer date would be a violation of status and the student's SEVIS record should be terminated;
  - b. The student must report to the school within 15 days of the program start date and enroll full time in the first required session/term at the school;
  - c. When a student is transferring *to* a school outside the Diocese of Arlington school system, the Diocese of Arlington must transfer the existing I-20 in active status to the new school. It is the responsibility of the parent or guardian to contact the Office of Catholic Schools within 15 days of leaving the Diocesan school to have the I-20 transferred.
4. In order for international students to maintain F-1 (Nonimmigrant) student status, the Department of Homeland Security requires ongoing accounting. In that regard, schools are responsible for ensuring the enrollment status of all F-1 (Nonimmigrant) students is reported correctly. High Schools will report via the Diocese of Arlington *Semester Report on Status of F-1 (Nonimmigrant) Students* form (Appendix AH). Reports for elementary school international students will be accessed through the Student Information System district database. Specifically, the school shall:
  - a. Submit a *Semester Report on Status of F-1 (Nonimmigrant) Students* form for each high school international student who has been issued an I-20 regarding the enrollment status of any F-1 (Nonimmigrant) student. This form is due to the Office of Catholic Schools within 15 days of the beginning of every semester;
  - b. Create and update elementary F-1 (Nonimmigrant) student record in the Student Information System, ensuring all fields pertaining to international students are completed. All F-1 (Nonimmigrant) student records must be completed and/or updated within 15 days of the beginning of every semester;
  - c. Notify the Office of Catholic Schools via the *Semester Report on Status of F-1 (Nonimmigrant) Students* form if an F-1 (Nonimmigrant) student has been accepted by that school and fails to report to the school within 30 days of their Program Start Date;

- d. Notify the Office of Catholic Schools via the *Semester Report on Status of F-1 (Nonimmigrant) Students* form within 15 days when an F-1 (Nonimmigrant) student transfers to another school or departs the United States;
  - e. Report via the *Semester Report on Status of F-1 (Nonimmigrant) Students* form any legal change in the name, address, or guardianship of an F-1 (Nonimmigrant) student within 10 days.
5. For students who hold a visa other than F-1, refer to Appendix AJ (*Visa Types*);
- a. Students who are currently in B-1 or B-2 status cannot begin their studies prior to approval of their change to F-1 (Nonimmigrant) student. Obtaining a change of status is the responsibility of the parent or guardian.
  - b. Students who are currently in B-1 or B-2 status may be enrolled to audit classes at the discretion of the Headmaster for a limited time (generally not more than two months) but must still meet Diocesan admission requirements pertaining to the MCH 213G Commonwealth of Virginia School Entrance Form and provide documentation that they are free from communicable tuberculosis. (Policy 624.1.b).

Any student applicant whose passport, United Nations travel document or other United States Citizenship and Immigration Services (USCIS) documents indicates that the student is a refugee, asylee, parolee, lawful nonimmigrant or legal permanent resident may be admitted to the schools of the Diocese of Arlington under normal requirements for admission. This policy would also include undocumented children.

## **CLASS PLACEMENT**

The Headmaster/Administration and faculty reserve the right to place students in a class which is consistent with the results of the student's prior academic records and any admission testing.

## **ATTENDANCE**

### **DIOCESAN POLICY FOR ATTENDANCE REQUIREMENTS**

In order to achieve the goals and objectives of the curriculum, regular attendance by the student is mandatory.

The school (K-8) is normally in session not less than 180 days per academic year or the length of time as required by the Virginia Catholic Education Association.

Once a child is enrolled in the school as a student, it is the duty of the principal and teachers to insist on regular attendance in order that the school can progress successfully through the curriculum. Neither the Diocese, the Office of Catholic Schools, the school, nor any of its employees are, however, responsible for ensuring actual attendance. This is the responsibility of the student's parent(s)/guardian(s).

Students in grades kindergarten through grade eight who miss ten or more days of the school year, whether excused or unexcused, and who have not satisfactorily completed the required work, may be considered for retention. Certification of absence by a physician is an exception to the ten-day limit. However, satisfactory completion of required work is still required.

If efforts to work with a family to improve a student's attendance are unsuccessful, a school should not continue to enroll who is not attending classes. Relatedly, schools should not continue to collect tuition from a family whose student is not regularly attending school.

### **ABSENCE/TARDINESS/LEAVING SCHOOL/REPORTING PROCEDURES**

In order to ensure continuous progress in school, regular attendance and habits of punctuality are essential. The school defines proper procedures as:

1. When a student is going to be arriving late, leaving early, or has a change in their pick-up routine, please email Mrs. Monica Stilson in the attendance office: [attendance@stjohnacademy.org](mailto:attendance@stjohnacademy.org) and copy Mrs. Gracia Escudero in the front office: [gescudero@stjohnacademy.org](mailto:gescudero@stjohnacademy.org) and copy the homeroom teacher. A phone call, written excuse or email, explaining the reason for absence and signed by the parent, must be presented upon a student's return to school.
2. When reporting a child sick from school, 1) A phone call or 2) An email from a parent is required each day(s) of the absence(s) of the student to Mrs. Monica Stilson in the attendance office: [attendance@stjohnacademy.org](mailto:attendance@stjohnacademy.org) and copy Mrs. Gracia Escudero in the front office: [gescudero@stjohnacademy.org](mailto:gescudero@stjohnacademy.org). If the parent knows the length of the absences just one phone call or email is necessary. Mrs. Stilson, Mrs. Sutton or another staff member will follow up with a phone call for any extended absence or to discuss any further information. **Every student illness needs to be assessed by someone in the health office before returning to school.**
3. Persistent unexcused absences (10 or more) may cause serious academic problems (including but not limited to course failure) and could result in the dismissal of the student. The Administration or the class teacher will normally review the matter with parents before a decision is made by the Administration. Persistent absences may also result in the student being subject to appropriate administrative action.
4. Except in cases of emergency as determined by the Headmaster/Administration and/or a faculty member (as applicable or necessary), a student may only (a) be released from school with the prior written authorization of the student's parent, or (b) leave the school grounds with the prior authorization from the Headmaster/Administration.

### **Tardiness**

Arrival at school after 8:20 a.m. is considered tardy.

The tardy student is responsible for class material covered prior to arrival at school.

The student will be marked tardy and a cumulative record is stored on the student's report card. Parents need to be aware that High Schools take note of the number of late arrivals during the admission process.

A student who is tardy, as determined by local policy, should report to the attendance office.

A student who arrives late with an excused reason (i.e. doctor's note) is counted tardy.

The student who is tardy due to unexcused reasons may be subject to appropriate administrative action. Frequent cases of tardiness will be brought to the attention of the Headmaster so that the parent may be contacted.

### **Absences for Other Reasons**

When parents wish to take their student out of school for several days for personal and/or medical reasons, the parents should discuss the student's progress with the teacher. However, the school is under no obligation to provide a tutor, make-up work or special testing schedules for such a period of absence. The Administration has the sole discretion to determine the conditions and terms governing such absences.

Eighth grade students will be allowed two days as excused absences for visits to prospective High Schools. However, the same policy as above (personal and/or medical reasons) will be followed regarding missed work.

## **ATTENDANCE/REPORTING PROCEDURES**

### **Absence**

In order to ensure continuous progress in school, regular attendance and habits of punctuality are essential. The school defines proper procedures as:

1. When a student is going to be arriving late, leaving early, or has a change in their pick-up routine, please email Mrs. Monica Stilson in the attendance office: [attendance@stjohnacademy.org](mailto:attendance@stjohnacademy.org) and copy Mrs. Gracia Escudero in the front office: [gescudero@stjohnacademy.org](mailto:gescudero@stjohnacademy.org) and copy the homeroom teacher. A phone call, written excuse or email, explaining the reason for absence and signed by the parent, must be presented upon a student's return to school.
2. When reporting a child sick from school, 1) A phone call or 2) An email from a parent is required each day(s) of the absence(s) of the student to Mrs. Monica Stilson in the attendance office: [attendance@stjohnacademy.org](mailto:attendance@stjohnacademy.org) and copy Mrs. Gracia Escudero in the front office: [gescudero@stjohnacademy.org](mailto:gescudero@stjohnacademy.org). If the parent knows the length of the absences just one phone call or email is necessary. Mrs. Stilson, Mrs. Sutton or another staff member will follow up with a phone call for

- any extended absence or to discuss any further information. Every student illness needs to be assessed by someone in the health office before returning to school.
3. Except in cases of emergency as determined by the Headmaster and/or a faculty member (as applicable or necessary), a student may only (a) be released from school with the prior written authorization of the student's parent, or (b) leave the school grounds with the prior authorization from the Headmaster Administration.

### **Medical excuses**

If a child is well enough to come to school, the child is expected to participate in all activities including Physical Education and outdoor recess unless a note from a physician excusing them from activities including Physical Education and outdoor recess is presented. Children with special medical needs must present a note signed by a physician stating the child's needs while in school. A doctor's note is required for any student absent for more than three consecutive days.

### **Anticipated absence**

Responsibility for taking a child out of school for non-illness related reasons rests with the parents who also assume full responsibility for the work missed and make-up work. When the student returns to school after the absence the student will be given the missed schoolwork that should be completed as directed by the teacher. Teachers are not required to give parents the work in advance of the anticipated absence.

### **Release of students**

When students leave school during the day due to illness, appointment or any other reason, they must be called for in the School Health Room or the school office. **Children may never wait outside the buildings to be picked up during school hours, nor may teachers release a child directly from the classroom.** A note, email, or phone call should be sent to school requesting early dismissal and stating the time and identifying the person who will pick-up the child. Persons picking up a child at a time other than dismissal should report to the school attendance office and sign the child out. The school staff will page the child in his/her classroom to come to the office to meet the person picking him/her up. **Students will not be called in advance to the nurse's office for an early release. Persons picking up a child may not go to the classroom.**

Students going home with anyone other than the parent or designated carpool must have a signed note, phone call, or email stating the date and identifying the person with whom the student has permission from the parent to be taken from the school. Upon arrival at school, the person must show a picture ID to the attendance office.

## **TRANSFERRING TO ANOTHER SCHOOL**

The school must be notified in writing by the parent(s) of a student regarding a decision to transfer a student to another school, including the last day the student will attend classes at school. Notification of withdrawal must be in writing to the Headmaster and copied to the registrar and current homeroom teacher. All school-owned materials such as textbooks and library books must be returned to school and all fees paid before leaving. Scholastic information will be sent to the new school upon a "Release of Student Records Form" with parental signature

from the new school. **All fees and tuition MUST BE PAID prior to the release of the student's records. The school will not forward records for students who withdraw with an outstanding balance. The same policy applies for graduating students.**

For graduating students, records from St. John Academy will be sent free of charge twice to other institutions. **All requests for transcripts must be made in writing to the office.**

## **ARRIVAL AND DISMISSAL**

Morning supervision begins at 8:00 a.m. Front Doors and outside classroom doors are open at 8:00 a.m. Students proceed directly to their homeroom classroom. Any students who arrive after 8:20 a.m. will be considered tardy.

The school day closes at 3:00 p.m. Monday-Thursday and at 2:25 p.m. on Friday. Early dismissal takes place at 11:30 a.m.

The parking lot traffic plan for arrival and dismissal is as follows:

### ***AM CARPOOL***

ENTRY ON THE SCHOOL/CHURCH GROUNDS IN THE MORNING MUST BE VIA LINWAY TERRACE AND THE REAR ENTRANCE (BEHIND THE RECTORY)

- Cars should line up and drop off students near the front entrance as usual. Upon arrival, students should exit their vehicles and proceed to enter through their classroom doors to ease the congestion of traffic during arrival and to avoid the clustering of students upon entry. Signs will be posted on the doors and faculty members will be on hand to guide students to the right door.
- Kindergarten and First grade will enter through the main entrance of the school.

### ***PM CARPOOL***

Entry on the School/Church grounds in the afternoon **MUST BE** via the **REAR ENTRANCE** (behind the Rectory and old church). Car pools must **NEVER** exit via this entrance. **ONLY** during icy road conditions should entry be via the front entrance.

- Kindergarten through 8 -- **ALL** cars picking up these students are asked to be in the proper lane as explained in Item 3 below.
- Lane 1 **MUST EXIT LEFT** onto **LINWAY TERRACE**. Lane 2 **MUST EXIT STRAIGHT** to **BIRCH ROAD** OR **LEFT** on to **OLD DOMINION DRIVE**. Lane 3 (lane closest to the school) **MUST EXIT RIGHT** on to **LINWAY TERRACE**. Lane 1 is the lane closest to the island, Lane 2 is the middle lane and Lane 3 is the lane closest to the school building.
- Once you are in the correct exit lane, put the car in park and do not leave the car running if you have to exit the vehicle. Students will be dismissed promptly at 3:00 p.m. Monday

– Thursday and 2:25 p.m. on Friday. On early dismissal days students will leave school at 11:30 a.m. Once students begin walking outdoors, no additional cars will be permitted in the parking areas.

- Students will be released by grade. They will be staggered with sufficient time to exit the building and maintain social distancing.
- **Students in grades K-5 may NOT be picked up anywhere on school grounds other than the designated carpool pick-up zone.** Parents/drivers who have parked on the parking lot in a place that is not a part of the carpool lanes area are to meet their child(ren) in front of the school at carpool dismissal time and walk them to the car. Students may not walk to cars not in carpool lanes. The school does not recommend parents to park somewhere other than the carpool lanes, however, if they do so, parents are required to walk to the front of the school to meet their child(ren).
- **Students in grades 6-8** may be picked up in the lower level parking lot in front of the church if waiting for regular carpool is not an option. Students in grades K-5 must still be met at the front entrance of the school.
- Students may not leave the building before carpool dismissal to meet a carpool. If the child needs to be picked up before carpool dismissal time, the parent or driver must sign the child out at the front office window.
- Carpools are not allowed to park at the bottom of the school building on Linway Terrace. This area is reserved for faculty parking only.
- Any student who has not been picked up by the conclusion of afternoon carpool and is not attending an after school club, generally by 3:15 p.m., will wait in the lobby of the school until they can be picked up.
- Students may use phones once at dismissal to connect with parents regarding carpool logistics.

## **IV. GENERAL SCHOOL POLICIES**

### **ADMINISTRATIVE**

#### **STUDENT CUSTODY AND GUARDIANSHIP**

At the time of school entry or at any other time where a change in custody status/arrangements occurs, it is the responsibility of the parent(s) to provide the Headmaster/Administration with a true and correct copy of the legal document for any student for which there is a legal custody agreement or for any student not residing with his/her parent.

School communication with the appropriate guardian is essential. Accordingly:

- a. Custodial parents should identify in writing other adults who may have access to information regarding their child.
- b. Non-custodial parents may receive information (when requested) regarding the child unless specific documentation to the contrary is provided in the legal custody agreement.

#### **ACCESS TO RECORDS**

Parents have a right (unless prohibited by the courts in a custody agreement) to the timely inspection of the educational records (cumulative and confidential) of their child during school hours. The school shall respond to reasonable requests for explanations and interpretations of the records.

If the education records of a student contain information on more than one student, the parents are limited to the specific information about their child only.

Student records shall be open to authorized school personnel only (Headmaster, assistant Headmaster and those to whom they extend access within a given year.)

The School Administration may elect to provide at cost photocopies of a student's educational records to parents, but documentation is to be stamped "unofficial."

#### **TRANSFER OF RECORDS**

Schools may disclose a student's cumulative record (i.e. Permanent Record card, attendance card, test results) to another school with legitimate educational interest provided a written request for such records is received, or when those individuals to whom the custodial parent has given written permission, have requested the child's records to be released. Parent signature is required for release of a student's confidential file (i.e. academic, special education records, psychological reports, disciplinary records, anecdotal information or reports by the school counselor).

Only copies of student records may be released. Original Cumulative Health Record and MCH-213 transfer with the student.

Parents may not hand-carry records to another school, except under extraordinary circumstances. If this occurs, the records are to be placed in a sealed envelope and marked "hand carried."

As a general rule, each school, at the discretion of its Headmaster, shall have the right not to certify the student's graduation or provide transcripts of the student's academic record to third parties such as other schools, colleges or employers, or to issue a Certificate of Diploma to the student, if there has been a breach of a material condition of the contract (i.e., failure to meet financial obligations, infractions against the school's code of conduct).

### **CONFIDENTIAL ACADEMIC RECORDS**

Parents are obligated to share educational/psychological testing results and any resulting plan with the school. If a student has a documented disability, a copy of the Individualized Education Plan (IEP), Individualized Services Plan (ISP), 504 plan and/or Student Assistance Plan (SAP) should be maintained in the student's confidential file. The refusal to provide such information is grounds for terminating enrollment in the school.

Confidential records for unenrolled students are merged with the students' cumulative files.

### **RETENTION OF RECORDS**

The following student records are to be retained indefinitely:

Permanent record card (to include transcripts, attendance record and standardized test results)

The following student records are to be retained for 25 years:

- IEP/ISP or 504 Plan
- Student Assistance Plan
- Eligibility Minutes
- Student Assistance Team minutes

The following student records are to be retained for 7 years, or when the students reaches the age of 25, whichever is greater:

- Application
- Counselor notes
- Discipline notes
- Court Documents
- Psychological reports

### **SCHOOL VISITORS**

All persons other than school staff and currently registered students must first report to the school office immediately upon entering school grounds, sign-in and wear an identification tag

when visiting the school.

**No visitor may go directly to the classroom during school hours.**

No child may enter the classroom prior to the start of school or when the teacher or classroom aide is not present. Messages for the teacher may be left in the school office. All volunteers must sign in before going to the classroom and then sign out when leaving. Forgotten lunches, books, etc. are to be brought to the Office and the child will be notified. Classrooms may not be disturbed. **Any student(s) not enrolled in St. John the Beloved Academy wishing to visit in a classroom must request permission from the Headmaster one week before the day of the visit. Any student(s) not enrolled in St. John the Beloved Academy who wish to attend any school function/assembly during the school day must request permission from the Headmaster one week before the day of the function/assembly and must remain in the company of his/her parent(s) during the function/assembly. All visitors must check in at the office.**

## SCHOOL COMMUNICATIONS

### Headmaster's Communication

Parents who wish to speak to the Headmaster directly may e-mail or call the office manager to arrange either a meeting or a telephone conference.

### Take-Home Communication

All materials prepared by parents for release to the parish or school community must be approved by the Headmaster or his/her designee.

### TELEPHONE USE/MESSAGES FOR STUDENTS

Students may use a school telephone only in an emergency and with permission from the Headmaster. **Forgotten homework, books, supplies, etc. are not considered an emergency.** In case of an emergency, messages will be taken in the School Office and communicated to the child per a parent/guardian's request. Short of an emergency, after-school arrangements must be made before the child leaves for school that day.

### CELL PHONES AND SMARTWATCHES

It is preferred that students not bring cell phones and/or smartwatches to school. If a phone is necessary to be with a student on school property for parent communication/carpool needs, it should be in the off position and stay in the student's bag, locker, or teacher's desk drawer during the school day. Any student found using a phone while on school property for personal/non-emergency purposes and without the permission of a teacher or school administrator may have the phone confiscated. The student's parents (guardians) will be notified and only they may collect the phone.

If a smartwatch is brought to school it should be in the off position and stay in the student's bag, locker, or teacher's desk drawer during the school day.

Any student found using a smartwatch while on school property for personal/non-emergency purposes and without the permission of a teacher or school administrator may have the smartwatch confiscated.

### **INCLEMENT WEATHER/SCHOOL CLOSINGS**

In addition to the traditional 180 school days, schools should add at least three extra days to the school calendar each year to accommodate days off due to inclement weather or other non-weather related emergencies. In the event these inclement weather/emergency days are not used, schools may dismiss for summer after completing the required 180 school days. If, however, during the course of the year, the school uses more than three inclement weather/emergency days, it is not necessary for the school to extend its school year beyond the 183 budgeted days, provided the school has surpassed 1038 hours of instructional time (as defined by the Commonwealth of Virginia).

If during the course of the year, the school uses inclement weather/emergency days, it may be necessary to modify the published school calendar.

In general, St. John the Beloved Academy follows the decision of the Fairfax County Public Schools (FCPS) regarding school closings and delays. Announcement of emergency school closings, necessitated by weather conditions or, any other emergency will be carried by radio stations or TV Channels. For emergency release due to weather-related conditions, Fairfax County Public Schools make a decision by 10:30 AM and notify parents via radio or TV Channels. If no information is forthcoming, school will be in session as usual. If FCPS is not in session (due to COVID closures or scheduled days off) Saint John's will be making their own announcements via School Messenger to all parents (by email and phone). Unexpected emergencies will also be announced via School Messenger to all parents (email and phone).

If school closes unexpectedly for a single day, there will be no academic requirements for that day. If, however, the school will be closed for an extended period due to weather or public health concern, the school will transition into on-line (Distance Learning) for the required duration and students will meet academic requirements.

The Diocesan Superintendent of Schools will publish annually a Diocesan school calendar for the following school year.

### **PHOTOS AND OTHER MEDIA**

Parents may opt their children out of participating in videotaping, audio recording, school pictures, other photography, or participation involving the Internet. When a parent decides to exercise this right, the school is required to use the *Waiver/Right to Object* form (Appendix N). All student or parental publications are subject to review and approval by the school administration prior to publication.

## **Logo Usage**

St. John the Beloved Academy has several official school logos, fonts and colors for formal and informal use. School logos are the primary visual identity mark of the school and are used on stationary, merchandise and all printed and electronic publications intended for school use. The school logo comprises carefully crafted, customized artwork and type. As such, the school requires that electronic files or camera-ready art be used to create all forms of communication. Any attempt to recreate the art, type or spacing and styling of the logo by desktop publishing or word processing will result in inconsistencies that will compromise the integrity of the logo. Permission from the Headmaster or Assistant Headmaster must be obtained before using the logo on any unofficial school communications or merchandise items.

## **LIBRARY**

All books chosen for classroom reading in Diocesan schools must be appropriate for students not only in age level and reading ability but also for the moral development which we are working to foster. All books shall conform with Diocesan policies and guidelines regarding Catholic education.

Parents, guardians or teachers who object to reading or multi-media/audio-visual/computer materials used in the classroom must complete an Objection to Content Form (Appendix K) after they have read the book or viewed the media and then submit it to the Headmaster. Those objecting to materials obtained in the school media center should complete Objection to Content Form for Library Materials (Appendix K-1). A review committee (to include an Office of Catholic Schools member) will subsequently discuss the objection and decide the disposition of the challenged material. The parent or teacher initiating the review should be personally notified of the results of the review. The Superintendent of Schools has the final say in any subsequent question of this review.

## **FIELD TRIPS**

Class visits to places of cultural or educational significance enhance the lessons of the classroom. Field trips, virtual or in person are planned by teachers and approved by the school Administration with educational purposes as the primary objective and in light of financial considerations.

Field trips are considered an extension of the school day and the code of conduct will apply.

A permission form signed by a student's parent(s)/guardian (s) must be obtained prior to a student participating in each activity (Appendix R, available in PowerSchool).

Use of busses will be limited. In the event private automobiles/vehicles of students, parents or other authorized adults of at least 20 years of age are to be utilized to transport students on field trips, the drivers and/or the vehicle owners must have a valid driver's license and sufficient liability, medical and uninsured motorist insurance coverage as defined by the Diocesan Risk Manager. Evidence to this effect must be presented to the Headmaster or Assistant Headmaster

---

for review and approval prior to the use of such vehicles. The Headmaster or Assistant Headmaster shall have the right to prohibit for any reason a proposed driver from transporting students on a field trip.

Youth weighing less than 100 pounds may not be seated in the front seat.

Cell calls and texting are not permitted while driving.

Parents/guardians are to be furnished with detailed written information about the field trip, and must be given the opportunity to “opt out” their children from the field trip.

Only Parents/guardians who are OPCYP compliant may chaperone a field trip.

Teachers and other school employees should not drive students in their personal vehicles.

It should also be understood, in light of world conditions and specifically threats of terrorism against Americans, that it may be necessary to cancel school-sponsored trips due to world and national developments at any time.

School-sponsored ski trips are not permitted.

Alcohol shall NEVER be served to minors, regardless of cultural norms and/or parent permission while on a Field Trip/Experience.

All medications given on field trips must comply with medication administration policies. For a student with prescription medication and/or medically necessary health related procedures or treatments, a trained individual needs to be present on the field trip such as; a school nurse, parent/guardian or designated family member to ensure care in the case of an emergency. If a trained individual of the school is unable to chaperone the student on a field trip, it is the responsibility of the parent to provide a trained individual to accompany the student.

Good behavior is expected of all students on a field trip. The school reserves the right to refuse a student permission to participate in a field trip if his/her behavior is inappropriate or could jeopardize his/her own personal safety or that of another member of the group. Students whose classroom behavior raises serious concerns with his/her teacher(s) or the Headmaster can be refused permission to participate in a field trip.

### **OVERNIGHT TRIPS**

Overnight trips are not permitted for elementary school children.

### **MARCH FOR LIFE POLICY**

Students are offered varied opportunities to participate in activities that promote the sanctity of life.

Students in grades 7 through 12 may be permitted to participate in the March for Life in a group

sponsored by the school or the parish. Procedures detailed under "School-Sponsored Trips" (Policy 609) must be followed. The Headmaster is not authorized to permit students in grades K through 6 to participate as a group in the March for Life. Students with written parental permission may accompany their parents on the March for Life.

Students who accompany parents on the March for Life should not be marked as absent for that day. From time-to-time it has been the case that world or local events raise concern about the advisability of school-sponsored student participation in the March for Life and related events. When this happens, principals should use prudent judgment when deciding on attending the March and should consider appropriate alternatives that can be conducted at the school level.

## **GRADUATION REQUIREMENTS/CEREMONIES**

Students must earn their certificate of completion. The school does not guarantee the award of this certificate to students. In order to graduate students must satisfactorily complete (by attaining a passing grade) all courses as required by the Diocese of Arlington and the Commonwealth of Virginia. In addition students must comply with all school regulations and policies.

The Headmaster shall have the right to withhold certification of a student's graduation or provide transcripts of the student's academic record to other schools, or to issue a Certificate of Completion to the student, if there has been a breach of a material condition of the contract (i.e., failure to meet financial obligations or infractions against the school's code of conduct).

Graduation ceremonies should be simple, elegant and dignified. All elements of the ceremony must be approved by the Headmaster or Assistant Headmaster.

The Liturgy is highly recommended. Certificates signifying completion of studies may be given upon completion of 8<sup>th</sup> grade.

## **PARENT ORGANIZATIONS**

Parent-Teacher Organizations (and like-named entities) support the critical relationship between schools and parents, the primary educators of their children. These organizations help the principal advance the school's mission.

"...since parents have conferred life on their children they have a most solemn obligation to educate their offspring. Hence, most parents must be acknowledged as the first and foremost educators of their children. Their role as educators is so decisive that scarcely anything can compensate for their failure in it. For it devolves on parents to create a family atmosphere so animated with love and reverence for God and men that a well-rounded personal and social development will be fostered among the children. Hence, the family is the first school of those social virtues which every society needs..." (Declaration on Christian Education – Vatican Council

Saint John the Beloved Academy has a Parent Council to help connect and support the school and

parent community. All Parent-teacher (and/or home-school) organizations are sponsored by the school to promote a cooperative effort at meeting certain needs of the student body. The parent council is subject in all respects to the control of the school and supervised under the care of the Headmaster. All parent council activities and all materials prepared by parents must be submitted to the Headmaster/Administration for approval prior to implementation and/or distribution.

Persons nominated to serve on the parent council must receive the approval of the pastor and Headmaster.

Every school should have an effective Parent-Teacher Organization. An effective Parent-Teacher Organization helps the head of school/principal advance the school's mission. It can also help mobilize the parent community regarding legislative proposals impacting Catholic education.

The Parent Council should strive:

1. to serve in an advisory capacity to support the Headmaster/administration;
2. to help build community spirit and parent involvement, and to initiate and support various fundraising and mission-driven initiatives, with the direction of school leadership;
3. to support and promote quality Catholic education at the school;
4. to encourage Catholic values of family life;
5. to support teachers and to aid them in helping parents in their role as the primary educators of their children
6. to help build a dynamic and authentic Christian culture that permeates all aspects of the school community

## **FUNDRAISING**

The Development Office focuses on supporting the financial and social aspects of the school to help enhance the St. John the Beloved Academy Community. Fundraising at the school must have the approval of the pastor and the Headmaster/Administration. Fundraising activities should be organized and executed so that the school program is not interrupted.

Students may participate in and cooperate with worthy collections and fundraising projects conducted by the school or parish provided such activities have been approved by the Headmaster/Administration.

## **TRANSPORTATION/PARKING**

Parents are asked to fill out a sheet at the beginning of the year as to the method in which their children will be arriving and departing school. Should the method of transportation change,

parents are asked to notify the school office immediately.

Parents who have business in the school building are asked to park their cars under the trees on the island side of the parking lot or the upper Guardian Angel building lot. Cars should not be parked on the Guardian Angel side of the main lot or on the lower lot by Carlin Hall. No one is allowed to park in front of the church on the main lot.

**Parking at the end of the school building (faculty & staff parking lot) on Linway Terrace is not allowed during carpool hours. Children should never be discharged from or meet carpools in this area.**

## **V. FINANCES**

### **TUITION ASSISTANCE PROGRAM**

Tuition assistance is offered to enable children to attend Diocesan Catholic schools. Tuition assistance is made possible through many sources: Diocesan Tuition Assistance Program, Diocese of Arlington Scholarship Foundation, St. Beatrice Special Tuition Assistance, and individual school scholarships or assistance.

#### **Application Process**

All school families participating in the program must submit the same application form (available in English and Spanish) along with all supporting tax documents as required and a processing fee payable to FACTS (<https://factsmgt.com/parent-resources/grant-and-aid/>).

The deadline for submitting applications to the contracted vendor is determined annually. Applications received after the stated due date will be considered for tuition assistance if funds are still available.

Although students from families residing on local military bases are not domiciled in a Diocesan parish, those students are eligible for the Diocese of Arlington Tuition Assistance Program.

Awards are determined on a case by case basis by the school and applicable for one academic year. The funds from the program will be paid directly to the school that the qualifying student attends. Schools will credit the tuition accounts for those families who have been approved to receive aid for that school year.

### **SCHOOL TUITION POLICIES**

#### **Tuition Payments**

If a student withdraws from Saint John the Beloved Academy from August 1st through December, 50% of the tuition must be paid. After December 100% of the tuition is due.

A family's tuition obligation continues even when the school shifts to a eLearning Learning model. The education of each student continues with teachers planning and delivering lessons and assessing student progress. Report cards will be distributed at the end of each grading period. If a parent/guardian cannot make the regular tuition payment, the principal should be notified as soon as possible to create a payment plan.

Tuition payments may be made in full and forwarded to St. John the Beloved Academy. Our school utilizes Blackbaud Tuition Management, a third-party payment processing service, for our tuition payment plan options. Smart Tuition payments are made online. There is a one-time \$40 fee to use this service. Each family may select a convenient payment date each month. A late fee will be charged if payments are not received within 10 days of the due date.

**Financial Aid:** Assistance with tuition expenses is available for families in need of assistance. Please visit <https://factsmgt.com/parent-resources/grant-and-aid/> to download an application. ## **VI. CO-CURRICULAR, EXTRA CURRICULAR ACTIVITIES, & AFTER SCHOOL CLUBS**

### **PARTICIPATION**

In order for sportsmanship to be rooted in Catholic values, it is expected that coaches, athletes, and fans display respect, civility, and responsibility in words and actions before, during, and after all athletic contests and/or practices. These policies are developed to assist the four diocesan high schools in accomplishing their goal of providing a Catholic education which is rooted in the teachings of the Catholic faith, especially the practice of respect for each person. The policies outlined in this section exist to ensure good sportsmanship and fair play.

Participation in co-curricular and extra-curricular activities is a privilege, not a right. Students who successfully meet the school's academic requirements and adhere to the code of conduct may participate in co-curricular and extra-curricular activities.

When possible, separate athletic teams will be offered for each sex. Young people will participate on teams consistent with their biological sex and may not participate on teams offered for the other sex. When (for example, in swimming or track) a team may include both sexes, individuals will participate in events consistent with their biological sex. In the case of golf, if separate male and female teams are not offered, members of both sexes may participate together on a single team in the same events. Girls are not allowed to participate in boys football and/or wrestling activities (see also Diocesan Coaches Manual).

Students participating in school-sponsored team athletic activities must have proof of an annual physical. Submission of a pre-sport participation physical examination form and consent form for elementary and middle school based athletic program participation is required, excluding parish CYO.

When a student is requesting a waiver from participating in Physical Education classes and/or recess, parents are required to submit a written statement from their child's physician that states

any activity restrictions with regard to participation in Physical Education classes and/or recess. The statement is expected to include a specific time frame for the activity restrictions.

## **TRANSPORTATION OF ATHLETES**

Students participating in a school-sponsored sport who wish to drive to and from practice and games in a privately owned vehicle must have a written permission from their parents/guardians. This approval does not permit a student to transport other passengers, under any circumstances, unless that passenger is a member of the car pool as permitted by the parents and Administration.

Although CYO athletic teams are separate and distinct from parish/school activities, the pastor/Headmaster retains the right of possible intervention by the school in the event a significant incident would bring the reputation of the parish and/or school into question within the community.

Quality co-curricular activities are provided for the students. Co-curricular activities are activities that extend the school's curriculum into the after-school activities such as treble choir, yearbook, student council, Battle of the Books, chess, bookworm club, knitting club, etc. They are purely optional. However, it is strongly suggested that parents encourage students to join at least one of these activities. Leadership, cooperation, and a sense of responsibility and belonging to the Parish and School are valuable for life.

Extra-curricular activities are activities not directly related to the curriculum. However, meetings, etc., are generally held on the Parish or School grounds and are recognized by the School as wholesome activities that extend beyond the School. Recognized organizations and activities include: Altar Servers, Middle School Activities. St. John's also participates in the Diocesan CYO Sports program that is administered by the Parish CYO Coordinator.

## **AFTER SCHOOL CLUBS**

After school clubs are open to all current students in grades K-8. Clubs are available on all regular school days Monday - Thursday from 3:00 – 4:00 p.m. and Friday from 2:30 - 3:30 p.m. Please note that some of our clubs have a maximum amount of students that can be accepted.

Please note that there is a 15-minute pick up window from 4:00-4:15 p.m. Monday-Thursday and 3:30-3:45 p.m. on Friday.

## **SUPERVISION OF STUDENTS**

***The school is not responsible for providing supervision for students who remain on school property after the conclusion of the instructional day, unless, the student is participating in a school-sponsored activity (such as athletics, choir, or after school clubs).***

## VII. STUDENT RESPONSIBILITIES & BEHAVIOR

### CODE OF CONDUCT

In all areas of learning, discipline must be considered in the development of the whole person. The Code of Conduct is based on the Gospel message of Jesus. Growth in self-discipline, a responsibility for Catholic moral values and a loving respect for the rights of all persons is encouraged and nourished by the Code of Conduct. To achieve these ends, parents, faculty and students work together to create a Catholic school environment. These basic components include:

- Teachers have a right to teach. No student will stop the teacher from teaching.
- Students have a right to learn. No student will stop another student from learning.

Based upon the Catholic moral values and loving respect for others taught by Jesus, students:

1. will be honest and committed to integrity.
2. will be respectful and courteous toward all teachers and adults.
3. will refrain from harassment of any kind.
4. will use appropriate language.
5. will speak respectfully to and about others.
6. will complete all assignments and participate fully in class.
7. will respect all school and personal property (*Care of School Property*).
8. will refrain from any deliberate disruption in the school.
9. will adhere to the school's cell phone policy.
10. will comply with the Internet Responsible Use Policy.
11. will demonstrate good sportsmanship when engaged in all school-sponsored co- and extra-curricular activities.
12. will be present for all required activities unless officially excused by the Administration.
13. will adhere to the dress code (see *Dress Code*).
14. will not give or receive unauthorized assistance on tests, quizzes or assignments.
15. will not leave school grounds during the school day for any reason without permission from the Headmaster/Administration.
16. will not bring to school nor possess at school any real or toy knives, guns (or any facsimile thereof), sharp objects that may be used as a weapon, matches, lighters, sparklers, laser devices or any facsimile thereof. It is understood if this term is violated, suspension or expulsion may result (*see Substance Abuse/Weapons and Inappropriate Materials*).
17. will maintain and support others who maintain a safe and drug-free environment at or near school and at all school sponsored functions/activities with the understanding that possession or distribution of alcohol, drugs, tobacco or any other substance that may be harmful or dangerous and forbidden to include drug paraphernalia will result in suspension or expulsion from school (see also

*Substance Abuse/Weapons).*

18. will not engage in any physical or verbal contact with another student which could be interpreted to be an inappropriate display of affection. Such conduct is prohibited on school grounds or at school-sponsored activities.
19. will, at all times, whether at school or in the community, conduct themselves in a manner which reflects the Catholic values and principles of the school.

This code of conduct also applies to all aspects of student internet use as well.

The school observes this Code of Conduct because it is built on fundamental Catholic social teachings. The role of the Headmaster/Administration, staff and faculty is to work with the students and parents to assist the students in developing a strong Christian attitude toward life.

## **SUBSTANCE ABUSE/WEAPONS**

The school makes every effort to make students aware of the dangers and consequences of the unlawful use of substances.

It is unlawful for any person to manufacture, sell, or distribute, or possess with intent to sell, give or distribute any controlled substance, imitation controlled substance or marijuana while upon the property of the school; on any school bus; upon any public property or any property open to the public use within 1000 feet of the school (or any school bus stop when students are waiting to be picked up and transported to or are being dropped off from school or a school-sponsored activity.) If a student knows or suspects that any of the foregoing activities are occurring, he/she must immediately report the matter to the school Administration/faculty so the appropriate law enforcement agency may be contacted.

A student shall not possess or use drug paraphernalia, including, but not limited to, e-cigarette delivery devices, e-cigarette accessories, vaping devices, water pipes, cigarette paper rolling machines, and miniature scales on the property of the school, on any school bus and/or any school-sponsored activity, whether discovered in an authorized search of his or her private property (Policy 615, paragraph 1) or on school property (e.g., lockers—Policy 615, paragraph 2). Any student who violates this provision will be subject to disciplinary action up to and including expulsion.

A student shall not possess, use or threaten to use on the property of the school, on any school bus; and/or at any school sponsored activity, any weapons (including but not limited to any pistols, revolvers, rifles or other firearms, stun weapons, tasers, knives, flailing instruments (which may sometimes be known as nunchucks or fighting chains), sling shot, metal knuckles, any type of pointed metal throwing disk or dart, mace, pepper spray or other similar propellant or any type of explosive, incendiary or poison gas, bomb, grenade or rocket) or any facsimiles thereof, or any object that can be used with the intent of threatening or harming an individual, except when expressly authorized by a member of the school administration/faculty for authorized school purposes (such as knives for use only in food preparation activities in family life/home economics class; chemicals solely for use in instructional lessons as part of the school's academic curriculum; etc.). Any student who violates this provision will be subject to disciplinary action up to and including expulsion. If there is reason to believe a violation of law has occurred, parents/guardians as well as the proper law enforcement agency will be

immediately contacted.” (From Policies and Guidelines 614 #2).

A student shall not possess or use drug paraphernalia, including, but not limited to, water pipes, cigarette paper rolling machines, and miniature scales on the property of the school, on any school bus and/or at any school-sponsored activity, whether discovered in an authorized search of his or her private property (Policy 615. 1) or on school property (e.g., lockers – Policy 615. 2). Any student who violates this provision will be subject to disciplinary action up to and including, expulsion.

A student shall not possess, use or threaten to use on the property of the school, on any school bus; and/or at any school sponsored activity, any weapons (including but not limited to any pistols, revolvers, rifles or other firearms, stun weapons, tasers, knives, flailing instruments (which may sometimes be known as nunchucks or fighting chains), sling shot, metal knuckles, any type of pointed metal throwing disk or dart, mace, pepper spray or other similar propellant or any type of explosive, incendiary or poison gas, bomb, grenade or rocket) or any facsimiles thereof, or any object that can be used with the intent of threatening or harming an individual, except when expressly authorized by a member of the school Administration/faculty for authorized school purposes (such as knives for use only in food preparation activities in family life/home economics class; chemicals solely for use in instructional lessons as part of the school's academic curriculum; etc.). Any student who violates this provision will be subject to disciplinary action up to and including expulsion. If there is reason to believe a violation of law has occurred, parents as well as the proper law enforcement agency will be immediately contacted.

## **Hazing**

Hazing is defined as the imposition of strenuous, often humiliating, tasks as part of a program of rigorous physical training and initiation.

Hazing is prohibited. School personnel will not tolerate any hazing on Diocesan school grounds or at any school-sponsored activity (on or off school grounds). In addition, the Office of Catholic Schools expects students and parents who become aware of an act of hazing to report it to appropriate school personnel (e.g. principal, teacher, school counselor). The Office of Catholic Schools expects staff members who become aware of an incidence of hazing to report the hazing to school administration for further investigation.

In cases of reported hazing, the principal or designee shall interview all students involved (i.e. the aggressor(s) and the victim(s)) and investigate, as appropriate. This investigation may include interviews with students, parents, and school staff; review of school records; and identification of parent and family issues. Any student who retaliates against another for reporting hazing may be subject to appropriate consequences.

Consequences for students who engage in hazing shall depend on the results of the investigation and may include:

1. Counseling
2. A parent conference
3. Detention
4. Suspension and/or Expulsion Depending on the severity of the incident(s), the principal may also report incidents of hazing to law enforcement if appropriate.

## **DISCIPLINE**

Because it is impossible to foresee all problems which arise, this handbook empowers the faculty and Administration to take disciplinary action for any behavior (within or outside of the school community) which violates the spirit, philosophy and code of conduct of the school, even though not specified.

In justice to the other students, circumstances may dictate that a student be removed temporarily or permanently from the particular school setting.

### **USE OF DISCIPLINARY ACTION**

In cases where a student is continually disruptive of others or in the case of a single serious disciplinary infraction, the teacher will apprise the Headmaster/Administration of the situation. They will assist in the development of a course of action to be taken to correct the situation.

Students who lack self-discipline or who violate the rights of others can expect disciplinary action. Each offense will be dealt with on an individual basis according to the age of the student, the nature of the infraction and the severity of the case. Repeated infractions can result in more serious consequences, up to and including suspension and/or expulsion, but there is no requirement for progressive discipline.

### **DISCIPLINARY MEASURES**

The following are some approved disciplinary measures:

1. Counseling and/or conference with the student and family
2. Assignment of special tasks
3. Denial of privileges
4. Detention
5. Probation
6. Suspension
7. Expulsion

### **SPECIFIC DISCIPLINARY POLICIES**

#### **SUSPENSION**

Suspension may be imposed as determined by the Headmaster/Administration. Once the

Headmaster/Administration suspends a student, parents may be required to sign a behavioral contract in which they signify their understanding of the problem and agree to work with the school in correcting the situation.

The failure of the parents to execute the above referenced agreement shall preclude the student from returning to the regular instructional program. This policy applies to in-house and out-of-school suspensions.

## **EXPULSION**

Expulsion may be resorted to when one or all of the following are present:

- a. a serious infraction of school rules occurs;
- b. the student has demonstrated continuing disregard of school rules for which other means of discipline have proven ineffectual;
- c. the student's continued presence in the school is considered by school officials to be a serious hindrance to the safety or welfare of the school community;
- d. a parent repeatedly or seriously violates proper school protocol, displays inappropriate or disruptive conduct toward students or displays disrespectful, disruptive or harassing behavior toward teachers school, parish or diocesan staff.

If the Headmaster/Administration believes it necessary to expel a student, the Headmaster/Administration will notify the student and the student's parents about the student's action and provide them with an opportunity to respond in accordance with the school's disciplinary hearing process before making any final decision on the matter.

A parent whose child is expelled may appeal this decision in writing to the Superintendent of Schools within 5 working days from the time of written notification.

During the pendency of any appeal, the expelled student shall be removed from the school community in compliance with the expulsion notice unless otherwise directed in the discretion of the Headmaster/Administration.

Students who have been expelled from any Diocesan school may not apply for admission to that school or another Diocesan school for a minimum of one (1) year from the date of expulsion.

## **STUDENT REGULATIONS AND PROCEDURES**

Privacy of individual students must be balanced against the need to protect the health, welfare and safety of other members of the school community.

### **STUDENTS AND STUDENT PROPERTY SEARCHES**

The principal/administration or his/her designee has the right to protect the health, welfare, and safety of school patrons against drugs, weapons, unauthorized publications, and other contraband materials. Search of a student's person and/or personal property on school property (e.g. automobiles, etc.) or at school activities may be conducted by the school principal/administration

or other designated officials. It is only necessary that a search be reasonable and related to the school rights in these regards. The failure of a student to voluntarily submit to a search shall be presumptive evidence of the existence of contraband and grounds for appropriate disciplinary action.

### **Interrogation of Students**

Unless provided with a court-issued warrant, the pastor (or Headmaster if Diocesan high school) or the Office of Catholic Schools must first be consulted before law enforcement authorities are allowed to speak to any student for interrogation purposes of alleged illegal activities. This policy does not apply to Child Protective Services (CPS) officers, who are by law entitled to interview children.

The questioning by police officers of students in school or on school grounds about alleged illegal activities shall meet the following conditions:

- a. The Headmaster, the assistant Headmaster, or the Headmaster's designee shall be alerted.
- b. The police officers shall report to the Headmaster's office.
- c. Permission from the student's parent/guardian must be acquired, either by phone or in person, prior to questioning,
- d. The Headmaster or a school representative shall be present.
- e. The questioning shall be conducted in a private room where participants cannot be seen or heard by students and/or other school personnel.

The police officers, under unusual circumstances, may take legal actions that they deem necessary.

### **Students and Student Property**

Students are solely responsible for their own personal property. The school accepts no responsibility for items left unattended in the common areas of the school. It is the responsibility of the student to turn in wallets, watches and other valuables to the physical education teacher/coach when participating in athletic events away from school. Items of personal property or clothing not directly related to academic or athletic events sponsored by the school should not be brought to school.

### **SCHOOL LOCKERS AND DESKS**

Lockers and desks are school property and are subject to searches by school authorities to protect the safety of all. A student to whom a locker or desk has been assigned has *vis-a-vis* other students exclusive use of the locker or desk but has no proprietary rights versus the school.

Lunch containers (bag or lunch box), sweaters, books (workbooks, tablets, and folders), pencil cases, rulers, crayon boxes, school bags, boots, etc., are to be clearly marked with the child's name and grade. Items that are left after school or recess will be sent to the school's Lost and Found.

## CARE OF SCHOOL PROPERTY

Students are to care for school property in a respectful manner. Students who deface or damage school property or the property of others will make financial restitution. If library books are not returned, students will be assessed an amount equal to the value of the book or its replacement, whichever is greater, as determined by the Headmaster/Administration.

Since textbooks are on a rental basis, they may not be written in or covered with contact paper.

It is expected that students will take proper care of all school materials. Hardcover books are to be covered and carried in a school bag. A fee will be charged for any books that are lost or damaged.

Parents who wish to have a separate set of books for the child to use at home must purchase the books on their own. **The school will not provide a second set of books for any student.** The school will provide the ISBN numbers of any textbook as well as the phone numbers of the publishing houses. Parents can then order the books directly from the publisher.

## DRESS CODE

The dress code provides a standard for our students which fosters an environment conducive to learning and respectful behavior. Final decisions regarding the school uniform rest with the Headmaster/Administration. The guidelines are outlined below.

- Hair should be clean and neatly styled; Hair coloring is not permitted.
- Caps, hats, and bandannas are not to be worn in the school building at any time including lunch periods.
- Excessive Make-up, Nail Polish and Jewelry are not permitted for any student.
- The Administration is ultimately responsible for the environment of the school; therefore, parents and students must understand that the Administration reserves the right to make judgments about inappropriate dress, behavior, etc., in order to maintain this environment. When a dress code violation has occurred, the student and parents must cooperate in correcting the violation promptly.

**OUT OF UNIFORM DAYS:** When students are permitted to come to school out of uniform, parents are asked to guide the students to make appropriate choices using the following as a guide

- **DRESS UP DAYS** – indicates that students should come in Sunday church clothes. **EXAMPLES:** Girls: Dress, Skirt and blouse, dress slacks and blouse or shirt (with sleeves); skirts and dress length are to be no higher than 2 inches above the knee. Boys: Dress slacks, shirt and tie, or good knit shirt with collar. Girls and Boys: Socks and shoes are required due to the school setting.

- DRESS DOWN DAYS indicates that students may wear more casual clothing.
  - EXAMPLES: Girls and Boys: Jeans, Khakis, Bermuda shorts (in warmer weather), basketball shorts, knit shirts or Tee-shirts with sleeves; hems of girls' shorts must reach "fingertip length" Socks and sneakers or shoes are required due to the school setting. Students should not wear: Cut-offs, shirts with negative/suggestive comments, inappropriate logos pictures or advertising are not allowed. Backless or transparent garments, low-cut fronts, halter, tank, tube tops, strapless, spaghetti straps are not allowed.

Consequences: Any student not conforming to the above dress code may be required to call their parents to bring the appropriate uniform or article of clothing.

- HOUSE DAYS students may wear their house t-shirts on house days with shorts or jeans.

## INAPPROPRIATE MATERIALS

Students are not permitted to possess the following items on school property or at school functions:

No music players, personal iPods or cell phones, cameras, hand games, or any kind of electronic equipment. Toys that simulate weapons are not allowed in school. Laser toys of any type are forbidden on school property. Possession of a laser toy on school grounds can result in suspension or expulsion. Live animals may be brought to school with the teacher's and Headmaster's permission only if the animal is caged and accompanied by an adult who will remain with the animal at all times. Unusual items may be brought to school only with written permission and with a specific purpose in the curriculum.

If these items are found they will be confiscated and given to the Headmaster. Parents will be required to pick up the items from the Headmaster's office.

## PLAYGROUND REGULATIONS

- Children remain at school for lunch. Children bring their lunch from home or purchase lunch on specialty days.
- No child is permitted to leave the grounds during school time (including noon hour and recess) without a parent's written note that has been submitted to the office.
- Children are to go directly from the cafeteria or classroom to the place assigned to play during the recess period. They use the side door of the cafeteria or classroom. Front doors are used for black top and gym recess only.
- **A note from a physician is necessary to excuse a child from going outdoors at recess.** If the child is excused from recess, he/she is to go directly to the health room. They are to take a book or work to the Health Room and should not return to the classroom.
- Students staying in with the teacher for remedial or other work must wait in the cafeteria until that teacher arrives to collect them. They may not return to the classroom until the teacher has arrived.
- Games are limited to those that ensure the safety of all.
- Children are not to play too close to the swings for safety reasons.

- Only kick balls, basketballs, footballs, and large balls are permitted. Only rubber balls or tennis balls are permitted for baseball playing. There may not be baseballs, hard or soft, used during the play periods.

## **VIII. HEALTH, SAFETY & WELFARE**

### **STUDENT HEALTH, SAFETY & WELFARE**

Parents and guardians have the primary responsibility for the health and well-being of their children. School health services supplement, rather than substitute, for parental care and concern for the health of the students.

#### **PREVENTION OF SEXUAL MISCONDUCT AND/OR CHILD ABUSE**

The Catholic Diocese of Arlington Policy on the Prevention of Sexual Misconduct and/or Child Abuse generally applies to all clergy, all employees and all volunteers.

It is the policy of the Diocese that sexual misconduct and/or child abuse while performing any work or activity under the auspices of the Diocese is contrary to Christian principles and outside the scope of any authority, duties and/or employment of any clergy, employee or volunteer.

School personnel who suspect the abuse or neglect of a student must report the matter directly to Child Protective Services and to the school principal (who in turn will call the Vicar General). The school principal should complete Attachment B found in Appendix G, which must be sent to the Vicar General. The school principal must inform the superintendent as well. At that point, confidentiality must be respected.

Virginia law imposes upon school personnel the legal responsibility of reporting to the local child protective services agency any incident of suspected child abuse or neglect.

In accord with the *Code of Virginia*, (Section 63.2 – 118) , “Any person required to make a report or conduct an investigation or family assessment, pursuant to this chapter may talk to any child suspected of being abused or neglected or to any of his siblings without consent of and outside the presence of his parent, guardian, legal custodian, or other person standing in loco parentis or school personnel.”

## **WELLNESS POLICY**

The Diocese of Arlington Office of Catholic Schools Wellness Policy (2006) meets minimum federal standards and establishes goals for physical education, nutrition and healthy environments in schools. All schools must develop, and continue to evaluate, local school wellness policies. The local policies create a framework for increased student activity, staff wellness, safe and healthy environments and the elimination of foods of minimal nutritional value, during the school day. All schools have wellness committees to implement, sustain and evaluate the local wellness program.

In order to encourage and foster a safe and healthy environment via the elimination of foods of minimal nutritional value, our 2016-2017 policy for acceptable food for morning school snacks sent by parents for students is as follows:

Student snacks may ONLY include: fresh fruit, fresh vegetables, cheese, and/or yogurt.

## **ACCIDENTS AND FIRST AID**

The parents of an injured student will be notified of the accident/injury by the school nurse or Headmaster/Administration or the Headmaster/Administration's designee as soon as reasonably possible, taking into consideration such factors as the apparent severity of the accident/injury and the priority of providing assistance to the student.

If an incident results in a medical condition or injury which can be reasonably known to the appropriate supervisory faculty/staff member and/or the Headmaster, the school and/or its staff are authorized to render reasonable basic first aid if such direct medical assistance would, in the opinion of the school, serve to minimize the severity of the injured person's condition. As an example, staff should initially resort to using only ice, band aids, soap and water when treating cuts and/or scrapes to avoid any possible known or unknown allergic reactions to salves or creams. In addition, staff may secure a professional diagnosis and/or treatment if such action, in the opinion of the school, appears to be reasonably warranted. The school and school officials shall be expressly held harmless from any liability costs or expenses associated with the professional diagnosis and/or any treatment or first aid provided (including but not limited to the cost of transportation), such costs or expenses being the responsibility of the injured party or, if a student, the student's parents.

## **ILLNESS**

Each school will provide a health office or comfortable space, apart from the student population, where children who become ill or injured can be cared for following *Virginia School Health Guidelines, 2<sup>nd</sup> edition*.

Children with fevers, contagious or infectious diseases will be sent home promptly and excluded from school while in that condition, per Virginia Department of Health regulations. Once the

student is confirmed to be free of communicable illness by a healthcare provider or is fever free/symptom free for 24 hours without taking anti-fever medications, the student may return to school, afterschool and extracurricular activities.

When a student is requesting a waiver from participating in Physical Education classes and/or recess, parents are required to submit a written statement from their child's physician which states any activity restrictions with regard to participation in Physical Education classes and/or recess. The statement is expected to include a specific time frame for the activity restrictions.

Any student who has had fever, vomiting or diarrhea must be temperature free and ***free from*** a vomiting or diarrhea episode ***for 24 hours*** before coming to school. ***Students who come to school before the 24 hours have passed will be sent home.***

### **Toileting/Incontinence**

Although the vast majority of school staff would assist in an emergency situation, as no child should be left in wet or soiled clothing, it is important to note that there is no expectation that routine and predictable incidents are to be dealt with by school staff.

Parents will always be contacted in incidents of soiling. The exception to this policy is the student with a prescribed health-related treatment or procedure plan obtained in writing from a LHCP, with proper authorizations in writing by the parent or guardian.

For preschool students, it is recognized that continence training is an area of development which is reached at different ages for all children and that every child has individual needs which are respected. The preschool director will determine age appropriate protocols for the student population

### **MEDICATION ADMINISTRATION OVERVIEW**

Detailed Diocesan medication policies and procedures can be accessed on the Office of Catholic Schools website, in the school clinic and in the appendix of this document.

All school clinic, administrators and staff are required to administer medication within the framework of the procedures outlined in Diocesan policy and summarized here.

All prescription and over the counter (OTC) medications may be administered during the school day under the following conditions:

- a. When the need for Administration of medicines during school hours has been confirmed by the school nurse/health assistant (or the school Administration);
- b. After the first dose of any medication has been given at home;
- c. When the parent/guardian provides and transports the medication to and from school and the medication is given directly to the school nurse/health assistant or a senior member of the school Administration;
- d. When there is a health care provider's written order signed by the parent/guardian requesting the school administer the medication or to permit the student to self-administer

- the medication;
- e. When the medication is brought to the school in its original container stating the name of the student, the dosage and method of Administration prescribed by a licensed healthcare professional. It is the parent's or guardian's responsibility to notify the school of any changes to the original prescription. The new prescription must also be brought to the school in the original container as stated above;
  - f. When the appropriate medication authorization form (Appendix F-6) has been completed, signed and accompanies the medication;
  - g. For any medication, parents must document the number of tablets or dosages to be secured for Administration by authorized school personnel. If tablets are to be divided, the parent or guardian is responsible for dividing the tablets in order to achieve their child's proper dosage.
  - h. Herbal and homeopathic medications will not be given in Diocesan schools without written authorization by a LHCP that shall include desired and adverse effects. Protein supplements will not be administered unless directly requested by a licensed health care professional with a health treatment plan.
  - i. Under no circumstances are medications to be shared with other students.
  - j. Picc Lines, Heparin/Saline Locks, and Central Venous Lines may be present in students with specialized health care needs. Dressing changes, heparin flushes, and other medication administration via these lines are to be done at home and should not be done at school.

When the medication is epinephrine, trained school employees are permitted to administer Epi-pen injections when:

- a. the parents advise the staff most directly involved with the student of the situations when an Epi-pen may need to be administered (e.g., symptoms indicating that a person is suffering from severe allergic reaction, basic procedures for administering the Epi-pen with a suitable demonstration);
- b. parents of students requiring such injections provide a doctor's letter attesting to the life-threatening allergy;
- c. parents agree to execute the release of liability/hold harmless agreement regarding the use of the Epi-pen (Appendix F-6).

All diocesan schools will maintain naloxone, an opioid antagonist, to be available for use if opioid overdose is recognized in any individual on school campus. Any student receiving naloxone will be transported via EMS to the local emergency room and cleared to return to school. All staff will be trained in how to recognize opioid overdose and administer naloxone.

All OTC and prescription medications are to be kept locked in the clinic/school office and be administered by the school nurse, clinic aide, Headmaster or trained designee. No student is to carry/possess medications, without appropriate medical authorization. No medication will be administered unless the school has received a signed copy of the Medication Authorization Form

(Appendix F-6). OTC medications do not require a health care provider's signature unless the medication is required for four (4) or more consecutive days.

It shall be the student's responsibility to come to the clinic/school office at the appropriate time for medication unless a health care provider or parent indicates in writing that the student cannot do this.

All medications including Epi-Pens and inhalers must be given to the school nurse where they will be stored in a secure area.

Students are NOT permitted to self-medicate. The school does not assume responsibility for medications taken independently by the student. Exceptions may be made on a case by case basis for students who demonstrate the capability to carry and self-administer emergency lifesaving medications (e.g. inhaler, Epi-pen). If a student is allowed to carry his/her own medication, an additional set must be given to the school nurse.

Within one week after expiration of the effective date on the order, or on the last day of school, the parent/guardian must personally collect any unused portion of the medication. Medications not claimed within that period will be destroyed.

#### **SPECIALIZED STUDENT CARE NEEDS**

The parent of any student on a continuing regimen for a non-episodic condition shall inform the school Headmaster/Administration and identify in writing the student's supervising health care provider. If necessary, and with parental written consent, there may be occasions when the school needs to communicate with the health care provider regarding possible effects on the pupil's healthcare management, special emergency procedures or behavior at school.

#### **USE OF CRUTCHES**

An order from a Licensed Healthcare Provider (LHP) is required to use crutches at school. If a student arrives at school on crutches without a doctor's order, the parent will be called to take the student home.

#### **USE OF MICROWAVE OVEN**

Given the risk of potential harm, students' access and use of microwave ovens is prohibited in grades preschool through grade 5. Student meals provided by parents/guardians must not be heated in microwave ovens by school personnel and/or school volunteers.

The school administration can determine if middle school students may use a microwave oven.

## **LIFE THREATENING ALLERGY**

Schools will utilize current resources and reputable materials such as; Food Allergy Research & Education (FARE) and the CDC's *Voluntary Guidelines for Managing Food Allergies in Schools and Early Care and Education Programs* to develop allergen management communications for student handbooks, classrooms, and parental publications.

All schools must provide an annual in-service educating school faculty and staff about the policy. Training will include minimizing the risk of exposure to life threatening allergens in the school setting as well as anaphylaxis recognition, medical management, and incident reporting.

Schools will utilize the policy to develop allergen management communications for student handbooks, classrooms, and parental publications. Schools will select and train staff to be utilized as anaphylaxis response teams responsible for managing an allergic crisis.

Parents and guardians of students with a life threatening allergy must inform the Headmaster and school health personnel of any allergies and provide schools with fully executed Diocesan documents. Parents/guardians are expected to supply schools with any emergency medications as prescribed and may additionally provide the student with "safe" foods for classroom celebrations involving food. Schools will utilize Diocesan documents to formulate an emergency care plan for the student and will share this care plan with those involved with the student including, but not limited to, teacher(s), food service, bus drivers, and janitorial staff.

## **CONTROL OF COMMUNICABLE DISEASES**

Parents must notify the school within 24 hours if their child or any member of the immediate household has developed a communicable disease. Parents must notify the school immediately if the disease is life threatening. Parents must pick up their sick or injured child in a timely manner when contacted. If the parent cannot be reached, emergency contacts will be called to pick up the child.

The protection and welfare of each individual student is of importance in the schools of the Diocese of Arlington. In an effort to enhance the protection of students:

- a. No daycare/preschool, elementary, middle, or secondary school student may attend class without documentary proof of adequate immunization in accordance with Virginia Department of Health's school entry requirements (or modified schedule as approved by licensed health care provider) on the Virginia School Entrance Health Form MCH-213G (*Appendix F-2*).
  - i. Parents or guardians who object to the administration of immunizing agents for their child on the grounds that this conflicts with their religious tenets or practices must produce a notarized Certificate of Religious Exemption form (*Appendix F-18*), which will be retained in the student health record.

- ii. Students who have traveled or resided in a foreign country for five months or more, where tuberculosis is common, are required to provide documentation, prior to school entry, of a negative tuberculosis skin test or chest x-ray result. All Diocesan schools are responsible for compliance with local health department regulations pertaining to tuberculosis screening and treatment.
- b. Students with fevers and/or contagious or infectious diseases will be sent home promptly and will be excluded from school while in that condition, according to the Virginia Department of Health regulations. Once the student is confirmed to be free of communicable illness by a health care provider, or is fever free/symptom free for 24 hours without taking anti-fever medications, the student may return to school.
- c. School health personnel will follow the Virginia Department of Health Communicable Disease Chart, found in the *Virginia School Health Guidelines*, when referring suspected cases of communicable disease to the local health department for excluding or readmitting a student.

The Diocese of Arlington has comprehensive guidelines for school/parish based influenza vaccination clinics. The liability associated with the vaccination of children is great. The Diocese of Arlington does not promote school based vaccination clinics for children during school hours, and in the absence of the parent, with the exception of a state or federal emergency. Any school wishing to offer an onsite school influenza vaccination program must comply with all aspects of the Memorandum of Agreement (*Appendix F-18*). Vendors wishing to serve as vaccinators must be fully vetted by the Office of Risk Management prior to the consummation of any contract for services.

## **LICE**

All students determined to have an active case of lice will be excluded from school until they receive treatment. It is the responsibility of the parent/guardian to provide appropriate and adequate treatment for the student and home environment as recommended by their health care professional. Readmission to school is determined by the school nurse/Administration based upon re-inspection and the effectiveness of treatment. Follow up treatment is expected and verified by the school nurse/Administration. Classroom contacts may be inspected.

If an incident of head lice occurs in school, the parents of students in the particular class affected will be given notice and the children's heads will be examined. Parents of an infected child will be notified and the child sent home. A child found with nits cannot return to school until properly treated as prescribed by the Health Department and is nit/lice free. Upon returning to school, a child being treated for head lice must report to the health room first and have his/her head checked before going to the classroom.

## **BLOODBORNE DISEASE**

The Christian community is called to respond to the sick in our midst with compassion and justice. The diocese recognizes its obligation to protect the rights of individual students infected

with Hepatitis and HIV and to provide a safe environment for students, staff members and the public. Students who are infected with bloodborne Hepatitis, Human Immunodeficiency Virus (HIV) or HIV-related conditions must be provided the opportunity to receive a Catholic school education in a regular classroom unless the student's health interferes significantly with school performance.

Since it is known that bloodborne Hepatitis and HIV are not transmitted through casual contact, any student who is infected will continue education in a regular classroom assignment unless his or her health status requires otherwise. It is the intent of the Diocese of Arlington Office of Catholic Schools to follow the recommendations of the U.S. Centers for Disease Control and Prevention (CDC) and the Virginia Department of Health which state that, most bloodborne Hepatitis and HIV-infected children be allowed to attend school in an unrestricted setting, and that decisions regarding school attendance be based on the medical condition of each child and the expected type of interaction with others in that setting.

***PERSONS INVOLVED IN THE IMPLEMENTATION AND MONITORING OF THIS POLICY SHALL MAINTAIN CONFIDENTIALITY OF RECORDS IN COMPLIANCE WITH FEDERAL AND STATE LAW AND DIOCESAN POLICY. ALL DIOCESAN SCHOOLS SHALL ALSO MAINTAIN A PROGRAM OF INFORMATION AND TRAINING FOR SCHOOL STAFF MEMBERS TO ENSURE A CONSISTENT AND ACCURATE UNDERSTANDING REGARDING PREVENTION OF EXPOSURE TO BLOODBORNE PATHOGENS. THIS INCLUDES ANNUAL TRAINING RELATED TO THE PROPER APPLICATION OF UNIVERSAL/STANDARD PRECAUTIONS.***

## **FIRE/EMERGENCY DRILLS**

Fire drills are conducted on a regular basis. During a fire drill everyone including visitors and volunteers must vacate the building. Students are to go quickly and quietly to the assigned place outside the building where the teacher will take roll to ensure all of the students have safely evacuated the building. Students are expected to remain silent and to follow instructions promptly.

## ***HARASSMENT***

Harassment can take place in person or in writing and can be physical, verbal, or electronic. Regardless of its form, the Diocese prohibits it.

This policy applies to the school site itself, to all school-sponsored and affiliated activities and events, whether in school or out of school, including but not limited to special events, field/service trips, retreats and/or other overnight trips, sporting events and practices, to all forms of transportation used by school personnel and students to come and go to the school and school-affiliated activities, and to all forms/use of technology.

Furthermore, since student behavior, whether inside or outside of school, reflects on our schools

and can have a significant impact on life at school, there are times when it is appropriate and important for school administration to respond to incidents that occur outside of school and beyond school hours. Therefore, the schools reserve the right to discipline those in the community who engage in harassment of other school community members at any location and at any time if such harassment takes the form of obscene, libelous, slanderous language or incites violence, invades the rights of others, or contributes to a substantial disruption of the school community. Therefore, if such harassment originates outside of school and it comes to the attention of school staff, appropriate action will be taken to maintain a safe and respectful work and academic environment. As the primary educator of their children, parents have the responsibility to handle harassment issues not involving the school and are occurring outside of school.

Bullying, harassment, intimidation, or retaliation against anyone who has reported these behaviors is prohibited. Students engaging in these behaviors are subject to disciplinary and/or legal action. Students, parents, employees, and service providers are responsible for reporting incidents of bullying, harassment, intimidation, or retaliation on campus. School principals will ensure that all illegal behaviors are reported to the appropriate local authorities and the Superintendent of Catholic Schools immediately.

## ***SEXUAL HARASSMENT AND/OR SEXUAL ABUSE – STUDENTS***

No student is to sexually harass or sexually abuse another person. All reports of harassment or abuse will be thoroughly and appropriately investigated and disciplinary action will be taken as appropriate, up to and including expulsion. Instances of sexual abuse, that has been investigated and confirmed, will result in suspension at a minimum. If it appears that a violation of criminal law may have occurred, the matter will be reported to law enforcement authorities. During the investigation of an alleged crime, alleged student may need to be asked to leave campus.

Any student who believes that he or she has been sexually harassed or abused needs to immediately report such information to a trusted employee. If a student makes a report, the employee will report the information to the principal. A student who is uncomfortable for any reason with reporting such alleged harassment/abuse to a trusted employee, or is not satisfied in doing so, may report the matter directly to the Superintendent of Schools. Any information reported shall, to the extent possible, be treated as confidential.

No student will be subject to any retaliation or disciplinary action on the part of the school for reports of sexual harassment/abuse made in good faith.

Children under 17 years of age cannot legally consent under Virginia State Law to having sex or sexual contact with an adult. **Any sexual contact between a student under 17 and an adult is a crime. It must be reported to the police.**

In addition, any sexual or romantic conduct between a school employee or an employee of a contracted service provider and a present student of any age, even if 17 years of age or older, and

even if consented to or welcomed by the student, is strictly prohibited by this Policy while the student is attending a diocesan school and for one year post-date of graduation, and will result in dismissal of the adult involved. As such, this Policy prohibits "sexting" between students and employees or employees of contracted service providers and the showing of pornography to any student by any such adult. Such activity will result in the dismissal of the adult involved and the reporting of such conduct to the appropriate authorities.

In an effort to minimize/address sexual harassment/abuse, students in grades 6 to 12 must receive appropriate age level instruction pertaining to harassment by September 30th (Appendix AB). The Validation of Sexual Harassment Instruction must be completed and submitted to the Office of Catholic Schools by September 30th (Appendix H-1).

## ***HAZING***

Hazing is defined as the imposition of strenuous, often humiliating, tasks as part of a program of rigorous physical training and initiation.

Hazing is prohibited. School personnel will not tolerate any hazing on Diocesan school grounds, in virtual school, or at any school-sponsored activity (on or off school grounds). In addition, the Office of Catholic Schools expects students and parents who become aware of an act of hazing to report it to appropriate school personnel (e.g. principal, teacher, school counselor). The Office of Catholic Schools expects staff members who become aware of an incidence of hazing to report the hazing to school administration for further investigation.

In cases of reported hazing, the principal or designee shall interview all students involved (i.e., the aggressor(s) and the person being hazed) and investigate, as appropriate. This investigation may include interviews with students, parents, and school staff; review of school records; and identification of parent and family issues. Any student who retaliates against another for reporting hazing may be subject to appropriate consequences.

Consequences for students who engage in hazing shall depend on the results of the investigation and may include:

- a. Counseling
- b. A parent conference
- c. Detention
- d. Suspension and/or expulsion

Depending on the severity of the incident(s). The principal may also report incidents of hazing to law enforcement if appropriate.

In addition, the Office of Catholic Schools expects students and parents who become aware of an act of bullying or cyberbullying to report it to appropriate school personnel (e.g. principal, teacher, school counselor). The Office of Catholic Schools expects staff members who become aware of an incident of bullying or cyberbullying to take appropriate steps to intervene unless intervention would be a threat to staff members' safety. If a staff member believes that his/her intervention has not resolved the matter, or if the bullying persists, he/she shall report the bullying to the school principal for further investigation.

In cases of reported bullying, the principal or designee shall interview all students involved (i.e. the aggressor(s) and the person being bullied) and investigate, as appropriate. This investigation may include interviews with students, parents/guardians, and school staff; review of school records; and identification of parent and family issues. Any student who retaliates against another for reporting bullying may be subject to appropriate consequences.

Consequences for students who bully others shall depend on the results of the investigation and may include:

- a. Counseling
- b. Parent conference
- c. Detention

d. Suspension and/or Expulsion

Depending on the severity of the incident(s), the principal may also report incidents of bullying to law enforcement, if appropriate.

## **RESPECT FOR LIFE**

A fundamental tenet of our Catholic faith is that human life must be respected and protected absolutely from the moment of conception. In the event of a student pregnancy or participation in an abortion, the school may condition continued enrollment in the school upon the student's/family's compliance with the foregoing and other corollary tenets of the Catholic Church.

# **ASBESTOS MANDATORY YEARLY NOTIFICATION**

## **Asbestos Notification**

In the past, asbestos was used extensively in building materials because of its insulating, sound absorbing, and fire retardant capabilities. Virtually any building constructed before the late 1970s contained some asbestos. Intact and undisturbed asbestos materials generally do not pose a health risk. Asbestos materials, however, can become hazardous when, due to damage or deterioration over time, they release fibers.

In 1986, Congress passed the Asbestos Hazard Emergency Act (AHERA) which requires schools to be inspected to identify any asbestos containing building materials. Every year, Saint John the Beloved Academy has conducted an inspection to determine whether the condition of the known or assumed asbestos containing building materials (ACBM) has changed and to make recommendations on managing or removing the ACBM. At the last inspection, all materials listed in the Management Plan as asbestos containing (or assumed to be asbestos-containing) were inspected and found to be in good condition.

The law further requires an asbestos management plan to be in place. The Saint John the Beloved Academy Asbestos Management Plan has several on-going requirements.

It is the intention of Saint John the Beloved Academy to comply with all federal and state regulations controlling asbestos and to take whatever steps are necessary to ensure students and employees a health and safe environment in which to learn and work. You are welcome to review a copy of the asbestos management plan at the school during regular business hours. Mr. John Balint, as Director of Maintenance, is our designated asbestos program coordinator, and all inquiries regarding the asbestos plan and asbestos-related issues should be directed to him/her at [jbalint@stjohncatholicmclean.org](mailto:jbalint@stjohncatholicmclean.org).

## ***VIDEO SURVEILLANCE CAMERAS***

School leadership at each individual school must install video surveillance cameras in order to maintain a safe and secure environment.

- a. At the discretion of the principal his/her designees, video surveillance cameras may be placed in public locations deemed appropriate. Such locations may include, without limitation, school entrances/exits, lobby areas, hallways, classrooms, cafeterias, athletic areas, gathering spaces, and outdoor grounds, as well as school buses.
- b. Restrooms, changing rooms, private offices, nurse's offices, and locker rooms are excluded from security camera use.

- c. It is recognized that it will not be possible to monitor all building areas, rooms, and grounds, or to monitor any location at all times.

To the extent video images may be deemed appropriate to create student records or personnel records, the school shall comply with any applicable state and federal laws related to record maintenance, retention, and disclosure.

Video images obtained by the school shall be viewed by authorized school and diocesan personnel as necessary. The school and the diocese may rely on the images obtained by the video surveillance cameras in connection with the enforcement of diocesan or school policies, regulations, codes of conduct, building rules, and other applicable laws or rules, including, but not limited to, use of such images in student disciplinary proceedings and matters referred to local law enforcement agencies in accordance with applicable law. Video images may become part of a student's educational record in accordance with applicable law.

All video recordings shall be stored in a secure place. Recordings will be saved for no less than 60 days and may be retained longer if deemed appropriate. All video recordings are the sole property of the Catholic Diocese of Arlington. Release of such videos will be made only with the permission of the diocesan Superintendent of Schools or his/her designee.

## **IX. STUDENTS WITH DISABILITIES**

The Office of Catholic Schools recognizes the beauty and potential inherent within each student. In an effort to foster continued growth, the school embraces the opportunity to provide assistance and services for students with disabilities according to the resources available within/to the school. Parents are considered an integral part of the process.

In order to accommodate a student who has been evaluated for special learning needs, parents are obligated to share educational/psychological testing results and any resulting plan with the school. The refusal to provide such information is grounds for terminating enrollment in the school. A student may be admitted on a probationary basis with dates and criteria of evaluation clearly established in writing.

If a child has a documented disability, a copy of the Individualized Education Plan (IEP), Individualized Services Plan (ISP), 504 plan, and/or Student Assistance Plan (SAP) should be maintained in the child's confidential file. Children who have a documented disability, but do not qualify for services through the local public school, may be eligible for interventions through a Student Assistance Plan written at the Catholic school.

When a student qualifies for special education services through the public school and will not receive services, an Individualized Catholic Education Plan can be written following the information in the Guidelines for Serving Students with disabilities.

Failure of the parent to sign the Student Assistance Plan or Individualized Catholic Education Plan does not prevent the implementation of the plan.

Students with disabilities are expected to follow the school's policies and honor code.

St. John Academy has a Resource Program to aid students with special needs. The classroom teacher recommends students for this program after consultation with the parents. Special needs students meet with the resource teacher during the week and are given a Student Assistance Plan outlining accommodations that are then implemented by the classroom teacher. Accommodations for students with an ISP from the public schools are discussed with the parents and implemented where possible. Arrangements may be made for specialized testing either privately or through the public school system. The parents, resource teacher and classroom teacher meet throughout the year to evaluate and discuss the student's progress.
