Summer News

Dear Rising Kindergarteners and Families,

We are so excited that you'll be joining us in Kindergarten in August! We're doing everything to prepare a great experience for you this year. We know that you learned a lot in PreK and are ready for the challenges ahead. These summer months would be a great time to continue to practice writing your letters and numbers correctly, as well as writing your name using upper and lower-case letters. We'll do a lot of cutting projects in Kindergarten. Do you know how to hold and use your scissors correctly? Do you know how to use a glue stick?

We use the Zaner Bloser handwriting templates for letter formation. Below is a link to some fun pages that you can work on to assist with letter recognition and formation.

We read a lot of books each day in Kindergarten. You'll learn about many types of books, such as fiction, non-fiction, poetry, fables, folk and fairy tales and more. We encourage you to read each day. Reading can be listening to an adult read a story or you yourself reading some words on a page, or looking at picture books and imagining a story. No matter which way you prefer to read, summer is a great time to snuggle up with a good book.

You'll find a reading list below. These books are merely *suggestions*. We'll read many of them in Kindergarten throughout the year. You can read any books of your choice. The important thing is to read.

If you have any questions or concerns about Kindergarten, please do not hesitate to contact me at iperez@stjohnacademy.org or Mrs. Loria at tloria@stjohnacademy.org.

Once again, we are excited that you'll be in Kindergarten in August and look forward to meeting all of you. Until then, we wish you all a wonderful summer!

God Bless,
Mrs. Pérez and Mrs. Loria

Saint John the Beloved Academy

Saint John the Beloved Academy was founded in 1954 to offer quality Catholic education to parish children. Saint John the Beloved Academy continues to provide children in preschool through eighth grade with a Catholic liberal arts education rooted in rich tradition of academic excellence and spiritual formation, captured by the school's motto, *"Fides, Scientia, et Gaudium."* By Faith, children are led beyond themselves to entrust their formation to God. By forming the entire child, we impart the Knowledge for both intellectual and spiritual growth. The Mission of Saint John the Beloved Academy is manifested in genuine Christian Joy—rooted in the Sacraments, self-sacrifice, charity, and service to others.
